What is evaluation?

IFAD ORGANIGRAM as of 1 February 2020

A short history of our evaluation function

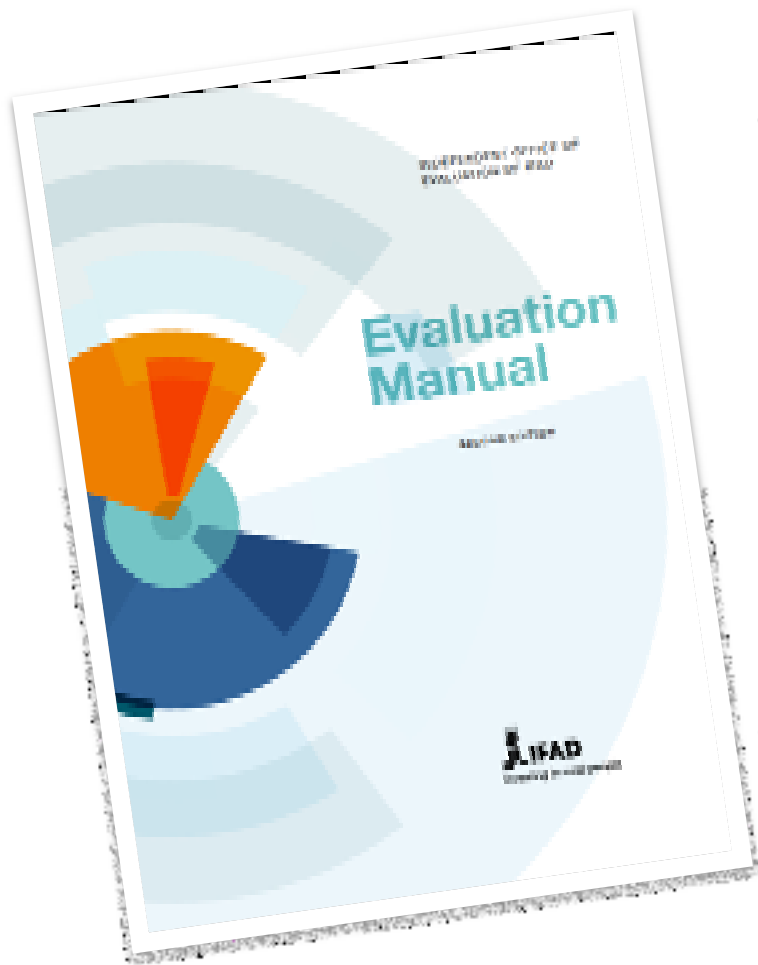

Evaluation Policy 2011: main principles

- **Independence:** evaluation should be impartial and free of undue pressure on its work programme, budget, staffing, disclosure, etc.
- **Accountability:** performance and operational results must be accountable for
- **Partnership:** for a transparent and informed process
- **Learning:** establishing effective feedback loops to improve performance
- **Credibility:** rigorous and evidence-based analysis
- **Utility:** to ensure timeliness of evaluation recommendations

How we operate: The Evaluation Manual

- ✦ Contains the **core methodology** used by IOE in conducting evaluations
- ✦ **Guides staff and consultants** involved in evaluation work
- ✦ Includes **new international evaluative trends**
- ✦ Available in **English, French, Spanish and Arabic**

Contributing to the global debate on evaluation

The book explores how evaluation has evolved to meet future challenges in deepening the impact of development initiatives on people's lives

The volume gives insight into the implications of new and emerging technologies in development evaluation and the added challenges of charting progress towards Agenda 2030

Innovative knowledge products

IFAD LEAF – Learning from evaluation to increase the impact of IFAD’s operations

- A mobile application that enhances the transparency of IFAD’s operations providing swift access to IOE reports
- IFAD Leaf allows users to search through IOE evaluations quickly and accurately, thanks to filters and word searches directly inside the reports
- It also allows to save reports for offline view by adding them to Favorites
