Information on Governance

The screenshot displays the IFAD Platform website's Governance page. The navigation bar at the top includes links for Home, Meetings and Events, Member States, Governance (which is highlighted), News, FAQs, and a search icon. A 'Login' button is also present in the top right corner. The main content area features a yellow horizontal line under the 'Governance' heading. Below this, there is introductory text about IFAD's role as a specialized agency of the United Nations and International Financial Institution, followed by a paragraph on decision-making. A list of various governance-related topics is provided, including committees, boards, and working groups.

Governance

IFAD is a specialized agency of the United Nations and International Financial Institution.

Decision-making at IFAD is entrusted to its Governing Council, its Executive Board and the President of the Fund.

IFAD basic legal texts, which have been approved by its Governing Council and/or its Executive Board, set forth the rules, regulations and procedures which the Fund must abide by in its operations and activities. Amendments to said texts may be proposed by the President of the Fund for consideration by the relevant Governing Bodies.
