<sup>a</sup> For the purpose of this report, the term "pledge" includes (i) an explicit expression of a Member's intention to contribute to the resources of the Fund and (ii) direct payments received by the Fund without the prior announcement of a pledge.

<sup>b</sup> Amount is converted into United States dollars by applying the average exchange rate, as described in paragraph 16 of Governing Council resolution 154/XXXII.

<sup>c</sup> Contributions are deemed to be the amount of the instrument of contribution, or the direct payment received without the deposit of an instrument of contribution.

<sup>d</sup> This amount has been paid as an advance contribution.

<sup>e</sup> Belgium's pledge includes a core contribution of EUR 21 million. Belgium also announced the intention to make a complementary contribution for the Belgian Survival Fund, at least as large as that made to the Seventh Replenishment (EUR 15.6 million), subject to parliamentary approval.

<sup>f</sup> Subject to parliamentary approval.

<sup>g</sup> Cameroon has to date remitted to IFAD US\$928,590 and indicated that its pledge may be increased to US\$1 million. The exact amount will be communicated at a later date.

<sup>h</sup> Germany's contribution depends on the following: (i) subject to entry into force of the 2009 federal budget law and parliamentary approval; (ii) "Germany's contribution is not to exceed 6.5 per cent of the total amount of pledges by all contributing Member States six months after the date upon which the Governing Council adopted the Resolution 154/XXXII on the Eighth Replenishment; (iii) the unit of obligation will be decided by the German Government at the time of deposit of its instrument of contribution, at the latest.

<sup>i</sup> The Netherlands pledges a maximum of US\$75 million to the Eighth Replenishment, based on a target of US\$1.2 billion. If the final target is revised downwards, the Netherlands reserves the right to lower its pledges accordingly, in order not to exceed its percentage share of 6.25 of the target.

<sup>j</sup> The contribution of US\$50 million by Saudi Arabia consists of US\$20 million as Saudi Arabia's core contribution to the Eighth Replenishment and US\$30 million as a complementary contribution to the replenishment, to be utilized to increase food production in low-income countries.

<sup>k</sup> Sweden's additional contribution will not exceed SEK 360 million and should correspond to no more than 5.4 per cent burden share of the total pledged. Sweden has also pledged a complementary contribution of SEK 100 million for both grant financing and enhancement of the design and implementation of regular IFAD projects and programmes, with the goal of increasing food security in the least developed countries.

<sup>l</sup> Payment of Sweden's complementary contribution of SEK 100 million.

<sup>m</sup> The United Kingdom of Great Britain and Northern Ireland's pledge will be contingent on performance against commitments agreed on in the Report of the Consultation on the Eighth Replenishment of IFAD's Resources, in accordance with paragraph 5(c) of resolution 154/XXXII.

<sup>n</sup> Subject to approval through the budget process and congressional appropriation.

<sup>o</sup> The pledge could be increased to US\$21,568,891, subject to confirmation by the highest authorities of the Bolivarian Republic of Venezuela.

<sup>p</sup> In 1992, the Socialist Republic of Yugoslavia was dissolved and its membership with the Fund terminated *ipso facto*. None of the republics of the former Yugoslavia were permitted to succeed to or continue the membership of Yugoslavia in IFAD. No contribution or payment was due by IFAD to Yugoslavia at the time of its dissolution, nor by Yugoslavia to IFAD.
