Executive Board — 106th Session
Rome, 20-21 September 2012

Report on the Ninth Replenishment of IFAD's Resources

1. **Adoption.** Resolution 166/XXXV on the Ninth Replenishment of IFAD's Resources was adopted by the Governing Council on 22 February 2012. The period of the Ninth Replenishment is defined in the resolution as "the three-year period commencing 1 January 2013".
2. **Additional pledges.** Pledges made as at the date of adoption of the resolution, i.e. 22 February 2012, amounted to US\$856,258,996, including complementary contributions. As at 22 August 2012, pledges amounted to US\$1,403,713,444, including complementary contributions. The status of pledges to the Ninth Replenishment as at 22 August 2012 is set out in annexes I and II.
3. **Target.** Paragraph I(b) of resolution 166/XXXV established the target level of the Ninth Replenishment at US\$1.5 billion. Paragraph I(e) of resolution 166/XXXV specified that the structural gap between total pledges and the target level may not exceed fifteen per cent (15 per cent). As indicated in paragraph 2 above, and as set forth in annexes I and II, pledges as at 22 August amounted to US\$1,403,713,444, corresponding to 94 per cent of the US\$1.5 billion target. Accordingly, the President of IFAD has communicated to all Members of the Fund that the target level of the Ninth Replenishment is confirmed at US\$1.5 billion.
4. **Creation of new votes.** Under the voting system introduced on 20 February 1997 by resolutions 86/XVIII and 87/XVIII, new votes are created for each replenishment. These votes are allocated on a basis similar to the original and replenishment votes and are divided between membership and contribution votes. Resolution 166/XXXV provided that votes for the Ninth Replenishment would be calculated on the basis of aggregate pledges received within the six months following the resolution's adoption on 22 February 2012, i.e. by 22 August 2012.
5. Of the total pledges of US\$1,403,713,444 received as at 22 August, pledges amounting to US\$357,958,776 were in the form of complementary contributions, pledged in accordance with paragraph III(a)(ii) of resolution 166/XXXV, and thus do not count towards the creation of votes. This results in a balance of US\$1,045,754,668 for the creation of Ninth Replenishment votes.
6. Under the formula stipulated in article 6, section 3(a)(ii) of the Agreement Establishing IFAD, 100 replenishment votes are created for every US\$158 million of convertible currency contributions pledged. Thus, for the Ninth Replenishment, the amount of US\$1,045,754,668 creates 661.870 replenishment votes, which are broken down into membership votes and contribution votes. The total of the Ninth Replenishment votes is fixed and will not be altered by any change in the membership of the Fund or further pledges to the Ninth Replenishment.
7. The membership and contribution votes became effective as from 22 August 2012. A table containing the calculation of membership and contribution votes, including Ninth Replenishment votes, is attached hereto as annex III. Although the number of Ninth Replenishment votes is fixed at a total of 661.870, the distribution of contribution votes among Member States will change as payments of contributions are received. Therefore, all Member States contributing to the Ninth Replenishment, including those announcing their pledges after 22 August 2012, will receive a share of the Ninth Replenishment contribution votes in proportion to their respective share of paid-in contributions to the replenishment. Annex III presents the voting rights of Member States as at 22 August 2012.
8. **Status of contributions.** Annexes I and II set out the status of pledges, instruments of contribution deposited, and payments in cash and promissory notes for the Ninth Replenishment as at 22 August 2012.

9. As at 22 August 2012, pledges to the Ninth Replenishment amounted to US\$1,403,713,444 equivalent, corresponding to 94 per cent of the Ninth Replenishment target of US\$1.5 billion. Member States that have not yet pledged and those intending to increase their contribution are being urged to communicate their pledges to the Fund as soon as possible.
10. In accordance with paragraph V(a) of resolution 166/XXXV, the Ninth Replenishment will become effective on the date "upon which the Instruments of Contribution relating to the additional contributions and special contributions from States referred to in section III of this resolution [166/XXXV] have been deposited with or received by the Fund in an aggregate amount equivalent to at least fifty per cent of the pledges as communicated by the President to Members pursuant to section I(e)." There are Members that make direct payments without depositing an instrument of contribution. This is in accordance with article 4.5(c) of the Agreement Establishing IFAD. As at 22 August 2012, instruments of contribution and payments amounted to US\$368,036,459 or 26 per cent of the total pledges of US\$1,403,713,444. Member States are urged to deposit instruments of contribution as soon as possible so that the replenishment may become effective.
11. As at 22 August 2012, advance payments for the Ninth Replenishment had been received from Member States in an amount totalling US\$62.2 million equivalent, or 4 per cent of pledges.
