SUPPLEMENTARY FUNDS AGREEMENT

BETWEEN

SMALL FOUNDATION

AND

THE INTERNATIONAL FUND FOR AGRICULTURAL DEVELOPMENT

REGARDING

PROVISION OF FINANCIAL ASSISTANCE FOR THE SMALLHOLDER AND AGRI-SME
FINANCE AND INVESTMENT NETWORK (SAFIN)

WHEREAS:

A. Small Foundation (hereinafter ‘the Donor’) is a company incorporated under the laws of
Ireland with registered number 447577 and Charity Registration Number CHY 17841. The
Donor’s vision is Africa permanently free from extreme poverty and chronic hunger by
2030. The Donor’s mission is to catalyse the proliferation of sustainable income-generating
opportunities for extremely poor people in rural sub-Saharan Africa. The Donor’s goal is to
support initiatives that improve the business ecosystems that proliferate income
opportunities for those in extreme poverty by expanding the access of micro, small and
medium enterprises to knowledge, skilled human resources, finance, technology and
markets. It aims to do this in ways that are effective, sustainable and scalable.

B. The International Fund for Agricultural Development (hereinafter “IFAD”), a specialized
agency of the United Nations, is an international financial institution established by an
international agreement (the Agreement Establishing IFAD) with the objective to mobilize
additional resources to be made available on concessional terms for agricultural
development in developing Member States;

C. Small Foundation and IFAD share the goal to help families and communities in rural
Africa to attain, through their own abilities and efforts, food security and diversified
constantly-improving livelihoods;

D. The Parties share the belief that this aim can be achieved also through the development
of rural economies and food systems in which small-scale producers and agri-
small and medium enterprises (hereinafter “SMEs”) have better access to finance in order to improve
their investment capacity. As such, both parties have joined the SAFIN network, which
Secretariat is hosted by IFAD, as a pre-competitive space to align their and other partners’
efforts and to scale up and multiply their positive impact, via activities and tools for shared
learning, peer support, frank and open dialogue, and the identification of opportunities for
coordinated action;

E. The Donor has decided to provide a financial contribution of US$300,000 in the form of
a grant to finance SAFIN (hereinafter “the Project”) (Schedule 1 – the Project’s concept
note and budget), subject to the terms and conditions set forth in this Supplementary Funds
Agreement (hereinafter “the Agreement”);

F. IFAD is prepared to accept the financial contribution of US$300,000 from the Donor,
including its administration, according to the provisions set forth in this Agreement;
NOW THEREFORE, the Donor and IFAD (also referred individually as "Party" and together as "Parties") hereby agree as follows:

I. THE CONTRIBUTION

1. The Donor will make available to IFAD, for the purpose of the Project, a financial contribution in the amount of US$300,000 (hereinafter "the Contribution") subject to the Conditions Precedent set in Schedule 3 being satisfied in accordance with their terms.

2. The Parties recognize and agree that the funds being given to IFAD by the Donor shall be considered and treated as supplementary funds under IFAD's governing rules and regulations.

3. IFAD will use the Contribution exclusively for the purpose of the Project as described in Schedule 1 and in accordance with the terms and conditions set forth in this Agreement.

4. The Parties agree that the following categories of expenditures shall be financed through the Contribution:

   - Investment cost: US$285,000
   - Management Fees: US$15,000

5. Amendment of the budget, of allocations amongst categories of expenditures or description of the Project may be done by IFAD unilaterally as long as notice is given to the Donor and the amendment does not impair the development, purpose, and financial balance of the Project.

II. THE PROJECT AND ACTIVITIES

1. Activities to be financed under this agreement shall be related to supporting the Secretariat of SAFIN. Specifically, the contribution will go towards funding SAFIN Secretariat operating costs for the period between 1 January 2019 and end of 2020, including recruitment activities for some of the positions the Secretariat to start in the last quarter of 2018.

3. SAFIN is an inclusive partnership of actors operating in different parts of the ecosystem for agricultural and related rural SME investment, with a focus on access to finance and complementary services. Members of the network share the recognition that smallholder farmers and other rural SMEs are key investors in inclusive and sustainable rural economies and food systems. They further share an appreciation of the many challenges and gaps in the ecosystem around such investments, and an interest in joining forces to address these.

4. The SAFIN Secretariat plays a coordinating and facilitating role for SAFIN activities as endorsed by SAFIN partners and formally approved by the SAFIN Steering Committee. It does not have a direct implementation role except for activities that relate to knowledge management, communication and convening.

5. IFAD shall promptly inform the Donor, as a SAFIN partner, of all material changes to the SAFIN strategy, as decided by SAFIN partners collectively and formally approved by the SAFIN Steering Committee. This shall be done, without limitation, by way of frequent contact between the SAFIN Secretariat and the Donor’s management team, as may be requested by the Donor from time to time, between the Donor’s directors’ representatives and the Steering Committee of SAFIN, subject to agreement from Steering Committee members.
III.

3. All payments by the Donor under this Agreement shall be requested by IFAD by a withdrawal letter request to the Donor or such other document as may be agreed between the Parties from time to time.

4. If, by 31 October 2018, all of the Conditions Precedent have not been fulfilled or waived then the Parties may defer the First Payment to a later date as agreed between the Parties and if no such date can be agreed this Agreement shall be deemed terminated.

5. Within 15 Business Days of the receipt by the Donor of the documentation provided for in Section 3 of this Article, the Donor shall transfer USD 150,000 (the "First Payment") to IFAD in respect of the period up to 31 December 2019.

7. Periodic Payments shall be made after the amounts have been agreed in accordance with Article IV and no later than 15 Business Days after the receipt by the Donor of the documentation provided for in Section 3 of this Article.

9. Upon notification from the Donor of each deposit, IFAD shall acknowledge receipt of the funds in writing.

10. IFAD shall promptly inform the Donor of any significant changes in the plan of operations of the Project which might involve a modification of fund requirements.

11. IFAD may apply to the Donor at any time for a revision of any or all allocations of funds under this Agreement. There will be no obligation on the Donor to approve any revisions sought.

12. In order to contribute to the defrayment of the cost of administering the Supplementary Funds, IFAD will deduct from the Contribution and will retain for its own account an up-front charge of 5% of each received instalment from the total Contribution plus complete interest retention ("IFAD Management Fee" in Schedule 1).
13. IFAD shall maintain separate records and ledger accounts in respect of the Project under this Agreement.

14. IFAD's disbursements shall be subject to the following conditions:
   a) sufficient funds have been deposited by the Donor with IFAD; and
   b) IFAD has been notified of each deposit made by the Donor in writing.

15. IFAD shall have no obligation to extend any financing under this Agreement if no funds are available from the Donor.

16. Any balance of the Contribution remaining unspent following completion of the Project and discharge of all activities and commitments entered into for the purpose of the Project, shall be refunded to the Donor (based on its pro-rata contribution to the Project) or otherwise dealt with as mutually agreed in writing by the Parties.

IV. PROCUREMENT AND REPORTING

1. 2. Not later than 30 days prior to the commencement of its financial year, the SAFIN Secretariat shall submit to the Donor:
   a) An annual operating plan and budget for that year which shall identify the funding gap if any in relation to the year of implementation together with a request to SF for funding for that year. Such plan and budget will be based on Schedule 1 and proposed variations (if any) will be highlighted and explained.
   b) An indicative annual operating plan and budget for the succeeding year and the expected funding gap in relation to that year.

In such instances, the Secretariat of SAFIN shall in a timely fashion facilitate such visits with the Donor and other parties nominated by the Donor. The implementation of such visits will depend also on the availability of local SAFIN partners, which is beyond the scope of responsibility of the SAFIN Secretariat.

V. COMMUNICATION

1. IFAD agrees to keep the Donor informed on key issues, key learnings, as well as of progress or problems in the Project implementation, as they arise.

2. The Donor and IFAD shall meet annually and whenever necessary to plan and review the progress of the Project's on-going activities.

**THE SAFIN THEORY OF CHANGE**
Since SAFIN aims to bring together a critical mass of actors playing a role in different parts of the ecosystem for agr-SME financed, its theory of change rests on these assumptions:
- Positive change across the five areas of work identified by partners can impact positively on the five key features of a more inclusive and effective ecosystem;
- Partners all have a direct or indirect stake in all identified areas of work and stand to gain from working better with other partners in all of them;
- Activity lines should inform each other to form a virtuous circle over time, with policy and learning-oriented activities feeding off and into collaborative practice and investment;
- Partners representing agr-SMEs and smallholder farmers have an especially important role in shaping an effective agenda for SAFIN and for the broader ecosystem.

**AGREED WORKSTREAMS AND LINES OF ACTIVITY FOR 2019-2020**
The partnership aims to accompany the timeline of the 2030 Agenda (including the Addis Ababa Action Agenda), with milestone moments of self-assessment at 2020 and 2025. The SAFIN pilot phase covers the period 2019-2020.

Dear Mr. Hounkpo,

I am pleased to report that The Rockefeller Foundation (the “Foundation”) has taken action to provide a project support grant to the International Fund for Agricultural Development as described in this letter (the “Grant Agreement”). In accepting these funds, the International Fund for Agricultural Development accepts the terms and conditions described in this Grant Agreement.

Grant Overview

Grant Number, 2018 FOD 013

Amount and Purpose of Grant. Up to $282,500 in support of providing technical support and training to a network of Rockefeller Foundation partners, in an effort to help farmers reduce post-harvest losses for crops in Kenya, Rwanda, Nigeria and Tanzania.

Term. The 12-month period December 1, 2018 to November 30, 2019.

Budget. Use of the grant funds is restricted to line items detailed in the budget approved for the grant (see Addendum 2). Please also refer to "Use of Grant Funds" in the Other Terms and Conditions section below for additional restrictions. You may, without seeking Foundation approval, reallocate up to 10 percent of funds from one budget category to another existing budget category. Prior to re-budgeting more than 10 percent of any category or creating a new budget line, a written request must be made to the Foundation. If a revised budget is approved, any subsequent financial reports shall be based on the revised budget. Please see “Re-budgeting an Extension or Modification of the Grant” section below for detailed instructions.

Project Deliverables, Reporting Guidelines, and Payment Terms

Grant Deliverables and Payments. The Foundation will disburse grant funds to the International Fund
for Agricultural Development upon our receipt of this Grant Agreement signed by an authorized officer of
your organization, and upon the satisfactory completion by your organization of all the terms and
conditions for this grant, including submission of deliverables and reports as outlined in this section and
the attached Deliverables and Payment Schedule (Addendum 1).

It is important that all Deliverables (as defined in Addendum 1), including narrative and financial reports,
be submitted in a timely manner; otherwise, payment may be delayed on this and other Rockefeller
Foundation grants (if any) to your organization. Please indicate the grant number referenced in this Grant
Agreement on all submissions. Addendum 1 outlines when deliverables are due and payments are
expected to be made. In addition, please send to the Foundation copies of all papers, manuscripts, and
other materials produced that are a direct result of the Rockefeller Foundation’s grant. All deliverables
and reports should be submitted via the Grantee Portal (https://grantportal.rockefellerfoundation.org).

Requesting an Extension or Modification of the Grant

To request an extension or modification of this grant, the International Fund for Agricultural Development
must submit:

- A detailed explanation for the need for the change;
- A revised budget and/or a revised milestones and deliverables table, if applicable; and
- An up-to-date narrative report and financial accounting (if requested by the Foundation).

Requests to modify a grant are necessary when the grantee must change the activities to be completed
under the grant, and new budget categories, reallocate more than 10 percent of any budget category, or
make other substantive changes to the project. Under no circumstances can the purpose of the grant be
modified.

All extension and modification requests should be sent to Jennifer Cooper,
JCooper@rockfound.org. If the request is approved, the Foundation will send a notification to your
organization and the revised Deliverables and Payment Schedule will be updated in the Grantee Portal, if
applicable.

Other Terms and Conditions

Staffing. The International Fund for Agricultural Development hereby agrees to notify the Foundation of
any change in key personnel for this project. The Foundation reserves the right to terminate the grant
following any such change when the change of staff results in a clear undermining of the project’s ability
to achieve its development objectives.

Tax Status. We have made this grant with the understanding that the International Fund for Agricultural Development is an “international organization” designated by Executive Order under 22 United States Code section 288. You hereby agree to notify the Foundation promptly if there is any material change in your organizing documents or other similar materials or information submitted to the Foundation or other source.

Use of Grant Funds. Grant funds may not be used for purposes other than those described in this Grant Agreement; funds not used for the purposes of the grant must be repaid to the Foundation. Any grant funds not used by the termination date of this grant will revert to the Foundation.

While the Foundation is providing support for this project, except as expressly noted in this Grant Agreement, sole responsibility for the supervision, direction and control of the conduct of the project lies with the International Fund for Agricultural Development.

Grant funds may not be used to pay for costs associated with Foundation staff traveling to or attending any meetings, conferences or other events. If your organization unavoidably incurs any expenses related to Foundation staff travel or attendance, please send an invoice to the Foundation for repayment rather than covering those costs from the grant funds.

The International Fund for Agricultural Development does not advance funds for the purposes of this grant. Therefore, any disbursement or expenditure by the International Fund for Agricultural Development for the purposes of this grant are subject to the condition that sufficient funds have been deposited with the International Fund for Agricultural Development.

The International Fund for Agricultural Development will administer with the International Fund for Agricultural Development’s Financial and Administrative Regulations and Rules applicable to supplementary funds.

The International Fund for Agricultural Development will retain five percent (5%) of the direct costs plus interest to cover the costs of administrative support as reflected in the budget.

The International Fund for Agricultural Development shall not be held liable for any delay or damages caused to the Project due to a late deposit or a failure to deposit by the Donor of the funds due under this Agreement. The International Fund for Agricultural Development will exercise the same care in the discharge of its functions under this Agreement as it exercises with respect to the administration and management of its own affairs. The International Fund for Agricultural Development will exercise the overall responsibility for the execution of the Project, making every effort to ensure effective and timely delivery of inputs and production of outputs.

Accounting and Auditing. For a period of at least four years after the termination of the grant, the International Fund for Agricultural Development shall retain books and records with respect to the use of these grant funds.

In accordance with the International Fund for Agricultural Development’s procedures for the supplementary funds, the International Fund for Agricultural Development’s accounting records will be audited by an external audit firm as part of the annual audit of the International Fund for Agricultural Development’s consolidated financial statements, from which a financial report related to this specific grant will be extracted.

The International Fund for Agricultural Development will submit financial and narrative reports to the Foundation no later than one hundred and eighty (180) days after the year and closing (31 December).

Privileges and immunities. Nothing in this Agreement shall be deemed as a waiver of or otherwise affect the privileges and immunities of the International Fund for Agricultural Development under the Agreement Establishing the International Fund for Agricultural Development, the Convention on the Privileges and Immunities of the Specialized Agencies of the United Nations (1947), any other international treaty or convention, or under international customary law.

Applicable law and dispute settlement. The present Agreement and any document or arrangement relating thereto shall be governed by general principles of international law, to the exclusion of any single national system of law. The Parties agree that in the event of any controversy or dispute arising out of or in connection with the implementation of this Agreement, every effort shall be made to amicably reach a settlement by direct negotiation. In cases where consultations or negotiations do not allow the Parties to come to an agreement, the controversy/dispute shall be settled by final and binding arbitration in accordance with the Permanent Court of Arbitration, Arbitration Rules 2012.

Anti-Terrorism. The International Fund for Agricultural Development confirms that it does not, in accordance with its policies and procedures, engage in, promote or support any terrorist activity, and that it will give effect to applicable resolutions of the United Nations Security Council that prohibit the engagement, promotion or support of organizations or individuals involved in terrorist activities. With respect to sub-grants to other entities under the terms of this Grant Agreement, the International Fund for Agricultural Development will include a provision in each grant agreement with such sub-grant recipient that the recipient will not use the proceeds of the grant for the purposes of any payment to persons or entities, or for the import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations.

Intellectual Property. Please also note that by signing and returning the enclosed copy of this letter, the International Fund for Agricultural Development grants to the Foundation a perpetual, worldwide, non-exclusive license to use, reproduce, distribute, display, perform, edit, adapt, create derivative works from and otherwise exploit and sublicense, in all languages and all media now known or hereafter developed, all written work or other materials of any nature created by it under this Grant Agreement, including the Deliverables ("the Work"). The International Fund for Agricultural Development acknowledges and agrees that no royalties will be paid for such use, total compensation being the grant described in this agreement.

Warranty/Indemnity. The International Fund for Agricultural Development represents, warrants and covenants that the Work is original and that it is the sole creator of the Work, except for any material incorporated into the Work created or owned by third parties, from whom the International Fund for Agricultural Development has obtained or will obtain, at its expense, all irrevocable, royalty-free, worldwide, transferable and perpetual licenses necessary to incorporate and use such third-party materials in the Work. The International Fund for Agricultural Development further represents, warrants and covenants that the Work does not and will not contain any matter that is obscene or libelous, in violation of any copyright, trademark, proprietary right, or personal right of any third party, or otherwise violate any law.

Public Announcement of Grant and Dissemination of Grant-Related Products. The Rockefeller Foundation encourages its grantees to announce grants; however, you must receive approval, in advance, from the Foundation’s Communications Office to use any language that purports to interpret the

Foundation’s intent in making the grant. Please also note in your communications about the Foundation’s grant that although the Foundation is providing financial support for your project, it is not responsible for the project, and it is important that your communications be clear on this point (e.g., stating that the Foundation is providing financial support for your project is accurate, stating that the Foundation is "sponsoring" your project is not).

The Foundation’s Communications Office must also approve, in advance, any press release or other media or public communications, written or electronic, you intend to issue concerning the awarding of the grant. The Foundation must also approve, in advance, any use of the Foundation’s logo. Grantors are free to disseminate information about their experience and findings during the course of the project to those who might benefit from this knowledge. In that connection, the Foundation views itself as an active partner that can further enhance and expand communications outreach and expects to be notified in advance regarding media outreach. For further information or assistance related to communications concerning this grant, please contact the Foundation’s Communications Office (e-mail: media@rockfound.org; phone: 212-889-8600; fax: 212-882-8641).

The Foundation’s website will include a brief description of this grant. On occasion, the Foundation also posts grantee’s publications and other related items on its website. In addition, such information is provided to the Foundation Center and to media and other organizations that provide grantseekers and researchers with information about the interests and activities of private foundations.

Effectiveness and termination. This Agreement shall enter into force on the date of its signature by the Parties, as of the date of the last signature, and shall remain in force and affect until November 30, 2019.

Either Party has the right to terminate at any time this Agreement by giving the other Party a 30-day written notice. If either Party breaches any provision of this Agreement and if such breach is not cured within thirty (30) days after receiving written notice from the other Party specifying such breach in reasonable detail, the non-breaching Party shall have the right to terminate this Agreement by giving written notice thereof to the Party in breach, which termination shall go into effect immediately on receipt of the notice. In case of early termination of this Agreement, the International Fund for Agricultural Development shall return to the Donor any unexpended portion of the Contribution following:

a) satisfaction of all commitments and liabilities undertaken by the International Fund for Agricultural Development hereunder prior to the receipt of the notice of termination (including but not limited to any liability arising out of contractual obligations entered into by the International Fund for Agricultural Development with any consultant and/or third party); and

b) the orderly conclusion of all activities that are ongoing under this Agreement at the time of receipt of the notice of termination.

Authority to Sign. The person signing this Grant Agreement on behalf of the International Fund for Agricultural Development represents and certifies that she or he has full, express power and authority to do so.

Entire Agreement. This agreement constitutes the entire understanding between us with respect to its subject matter and supersedes all prior agreements, discussions or representations between us. Any modification of this agreement must be in writing and signed or sent electronically by the Foundation’s Office of Grants Management.
