## **Projects/Programmes and Grants Approved under the Lapse-of-time Procedure in 2018**

1. At its ninety-eighth session in December 2009, the Executive Board adopted a resolution amending its Rules of Procedure by inclusion of a new lapse-of-time (LOT) procedure, effective 1 January 2010 (EB 2009/98/R.15/Rev.1), with the understanding that at each Board session IFAD Management would submit an information note listing all projects/programmes approved through the LOT procedure in the preceding period (EB 2013/110/R.4).
2. At its 110<sup>th</sup> session in December 2013, the Executive Board approved the introduction of a fit-for-purpose approach with respect to the Executive Board documents presenting the list of projects/programmes approved under the LOT procedure, which would be submitted to one Board session per year.
3. Pursuant to the above, Management wishes to inform the Board that in the period between January and December 2018 the following proposals were approved under the LOT procedure. In this period, 25 projects/programmes (see table 1) and 21 grants were approved (see table 2).

<sup>1</sup> The United States, in light of its policies for certain development projects in countries whose governments are not addressing trafficking in persons, opposes the following project and therefore does not join a Board decision that would support a grant to the Institute of Policy and Strategy for Agriculture and Rural Development for the “Network for Agriculture and Rural Development Think Tanks for Countries in Mekong Subregion.”
