Executive Board – 129th Session
Rome, 20-21 April 2020

For: Approval
Recommendation for approval

The Executive Board is invited to approve the recommendation contained in paragraph 4, and to authorize the President to negotiate and finalize a memorandum of understanding for the establishment of a cooperation framework between IFAD and the World Food Law Institute, substantially in accordance with the provisions presented in the annex to this document.

I. Proposal for a memorandum of understanding between the World Food Law Institute and IFAD

1. The World Food Law Institute (WFLI) is a non-profit corporation established under the laws of the District of Columbia, United States of America and housed at the Howard University School of Law. Its mandate is to promote an understanding of current global food law and policy issues by means of an interdisciplinary approach to relevant discussions and research. WFLI programmes bring together experts from the public and private sectors, the diplomatic community and academia in round tables, lectures, an annual symposium, among other activities.

2. The aim of the memorandum of understanding (MoU) between WFLI and IFAD is for the institutions to establish a mutually beneficial framework for cooperation, with a view to facilitating collaboration in common areas of interest, particularly global food law and policy, and food law development. Such collaboration would include non-financial support from IFAD for the organization of WFLI events and initiatives – for example lectures, round tables and symposia – aimed at promoting knowledge sharing.

3. The MoU will also enhance cooperation between the legal departments of IFAD and the Food and Agriculture Organization of the United Nations on legal work and analysis in support of the Sustainable Development Goals of the 2030 Agenda. For example, the departments have consulted on legal issues pertaining to the latest State of Food Security and Nutrition in the World report, including on food loss and waste.

II. Recommendation

4. In accordance with article 8, section 2 of the Agreement Establishing IFAD, the Executive Board is requested to authorize the President to negotiate and finalize an MoU between WFLI and IFAD to establish a cooperation framework, substantially in accordance with the provisions presented in the annex to this document. The signed MoU will be submitted to the Board for information at a subsequent session.
