Please check these sites regularly for new documentation.
9. **The schedule of work** will be made available approximately two weeks before the start of the session.
10. **Simultaneous interpretation** will be provided in Arabic, English, French and Spanish.

### III. Procedures for hybrid meetings

#### In-person participation

11. Due to the social distancing and sanitation measures currently in place, in-person participation will be limited to **a single representative** from each Member State on the Executive Board. Member States may rotate their chosen representative over the duration of the session on a daily basis and within the same day.
12. Please note that health and safety measures, in line with Italian Government and IFAD's guidelines, will be in place at the meeting venue.
13. Representatives are kindly reminded of some key measures in place for IFAD's in-person participants:
  - Please refrain from attending the session in-person if you have a fever or any other flu-like symptom (runny nose, cough, sore throat, etc.).

- Adopt all preventive measures on mask-wearing, hand hygiene, social and physical interpersonal distancing and respiratory etiquette.
  - It is recommended that participants wear a mask at all times when indoors and refrain from eating or drinking in the conference room.
14. Additional updated information on requirements for in-person participation will be provided in due course.

**Virtual participation**

15. Representatives, including additional members of delegations, may participate in the meeting by virtual means.
16. Participants **connected virtually** will be responsible for the quality of their connection. Should a participant lose connectivity during the meeting, deliberations will continue as long as a quorum remains. Should a quorum be lost, the meeting will be suspended until such time as a quorum is re-established.
17. In order to participate actively in the meeting, participants will need a computer with an Internet connection. Participants are kindly requested to install the Zoom application on their devices. Installation instructions and a quick guide on how to use Zoom are available on the [meetings and events](#) section of the **Member States Interactive Platform**.
18. Participants that have already installed Zoom on their devices are kindly requested to update the client and mobile app to the latest available version to be able to follow proceedings and access Arabic interpretation. Please use the following [link](#) for instructions on how to install the updated Zoom version on your devices.
19. In particular, participants are kindly reminded of the following important requirements:
- Speak at a reasonable pace to facilitate interpretation.
  - Use a headset with a microphone to enhance audio quality.
  - Turn on the video when speaking.

These measures are **essential** to ensure quality interpretation services.

20. The Office of the Secretary would be pleased to organize one-on-one virtual training on technical requirements and procedures. Members may request a training session by sending an e-mail to [igmr@ifad.org](mailto:igmr@ifad.org).
