Annex II EB 2022/136/R.15

IFAD Staff Pension Committee

1. Article 4 of the regulations of the United Nations Joint Staff Pension Fund (UNJSPF), of which IFAD became a member organization on 1 January 1978, provides that the UNJSPF shall be administered by the United Nations Joint Staff Pension Board (UNJSPB), a staff pension committee for each member organization, and a secretariat to the UNJSPB and each such committee. Article 6(c) of the regulations provides that the staff pension committees of the United Nations specialized agencies "shall consist of members and alternate members chosen by the body of the organization corresponding to the General Assembly, its chief administrative officer, and its participants in service, in such a manner that the number representing each shall be equal and, in the case of the participants, that the members and alternate members shall themselves be participants in the service of the organization. Each member organization shall make rules for the election or appointment of the members and alternate members of its staff pension committee."

- 2. Pursuant to the aforementioned regulations, the IFAD Staff Pension Committee ("the Committee") was formally constituted on 13 February 1979. The Committee adopted its own rules of procedure, which stipulate that three members and alternates should be appointed or elected for a three-year term and that they should be eligible for reappointment or re-election.
- 3. In accordance with the UNJSPF regulations, the Committee comprises:
 - One member and one alternate from the staff, representing the President of IFAD;
 - One member and one alternate selected by the staff of IFAD; and
 - One member and one alternate selected by the Executive Board on behalf of the Governing Council (in accordance with the Council's delegation of power to the Board under resolution 77/2 adopted at the first session of the Council). However, at the Executive Board meeting in September 1989, it was agreed that one member and two alternates should represent the Governing Council, given that there is normally some degree of turnover on the Board over any three-year period.
