

IFAD
INTERNATIONAL FUND FOR AGRICULTURAL DEVELOPMENT
Executive Board – Seventy-First Session

Rome, 6 - 7 December 2000

**STATUS OF CONTRIBUTIONS TO THE FIFTH REPLENISHMENT OF IFAD'S
RESOURCES**

1. With the adoption of Resolution 119/XXIV on the Fifth Replenishment of IFAD's Resources on 31 July 2000, the following steps remain necessary to achieve the effectiveness of the Fifth Replenishment:
 - (a) **Completion:** Paragraph V.21 of the Resolution requires the Executive Board to complete the Resolution once pledges "...shall have been received equalling at least eighty per cent (80%) of the three hundred and sixty million dollars (USD 360 000 000) target of the List A Member Countries and eighty per cent (80%) of the combined one hundred million dollars (USD 100 000 000) target of the List B and List C Member Countries".
 - (b) **Effectiveness:** The Fifth Replenishment will become effective, according to paragraph II.7(a) of the Resolution, on the date "...upon which the Instruments of Contribution relating to contributions from all the Members have been deposited with the Fund in the aggregate total amount equivalent to at least fifty per cent (50%) of the total contribution to the Fifth Replenishment of all such Members...". Payment of contributions without the deposit of an instrument of contribution will also count, in practice, as the deposit of an instrument of contribution for the amount paid.
2. As indicated in Annex I, as of 13 October 2000, pledges amounting to USD 334.7 million had been received from List A Member Countries, representing ninety-three per cent (93%) of the target amount of USD 360 million equivalent, and pledges amounting in aggregate to USD 37.3 million had been received from List B and C Member Countries, representing thirty-seven per cent (37%) of the combined target amount of USD 100 million equivalent.
3. As also indicated in Annex I, as of 13 October 2000, instruments of contribution received from Member Countries amounted to USD 5 235 000 equivalent, while payments in cash amounted to USD 322 336 equivalent.

4. As indicated in Annex II, as of 13 October 2000, complementary contributions to the Fifth Replenishment amounted to USD 1.3 million equivalent, representing an advance cash payment of BEF 50 million by Belgium.

5. All Member Countries that have not yet done so are urged to notify the Fund of their pledge to the Fifth Replenishment of IFAD's Resources as soon as possible, and to deposit their instrument of contribution with the Fund.
