REPORT ON THE STATUS OF CONTRIBUTIONS TO THE SEVENTH REPLENISHMENT OF IFAD'S RESOURCES

1. For the information of the Executive Board, the present document contains the following annexes:

Annex I	Summary of the Status of Contributions to the Seventh Replenishment as at
	19 April 2006
Annex II	Status of Contributions to the Seventh Replenishment as at 19 April 2006
Annex III	Status of Complementary Contributions to the Seventh Replenishment as at 19 April 2006

2. At its twenty-ninth session on 16 February 2006, the Governing Council adopted Resolution 141/XXIX on the Seventh Replenishment of IFAD's Resources. As shown in the summary table in Annex I of this report, total pledges to the Seventh Replenishment, including complementary contributions, amounted to USD 549.6 million equivalent as at 19 April 2006. A number of Member States have yet to announce their pledges to the Seventh Replenishment; they are urged to do so as soon as possible, and in any event before 16 August 2006, which is the deadline for the calculation of votes pertaining to the Seventh Replenishment, as also indicated in the report on the Seventh Replenishment of IFAD's Resources (EB 2006/87/R.24).

3. Annex II shows the details of Member States' contributions to the Seventh Replenishment, excluding complementary contributions. As at 19 April 2006, pledges of contributions amounting to USD 530.4 million equivalent had been received. Furthermore, advance payments towards the Seventh Replenishment amounting to USD 617 280 had been received in cash.

4. Annex III provides information on complementary contributions for the Seventh Replenishment. As at 19 April 2006, complementary contributions had been pledged amounting to USD 19.2 million equivalent.

Due to resource constraints and environmental concerns, IFAD documents are produced in limited quantities. Delegates are kindly requested to bring their documents to meetings and to limit requests for additional copies.

5. After the adoption of Resolution 141/XXIX, the next step is to trigger effectiveness of the Seventh Replenishment. Paragraph 7(a) of the resolution stipulates the following:

"Effectiveness of the Replenishment. The Replenishment shall come into effect on the date upon which the Instruments of Contribution relating to contributions from all the Members have been deposited with the Fund in the aggregate total amount equivalent to at least fifty per cent (50%) of the total contribution to the Replenishment of all such Members as set forth in Column B-3 of Attachment A to this Resolution."

6. Furthermore, paragraph 6(a)(i) of Resolution 141/XXIX stipulates the following with regard to instruments of contribution:

"Members making contributions under this Resolution shall deposit with the Fund, not later than a date six months after the date of the adoption of this Resolution, an Instrument of Contribution specifying therein the amount of its contribution in the applicable unit of obligation as set forth in Columns B-1 and B-2 of Attachment A to this Resolution."

7. To ensure timely effectiveness of the Seventh Replenishment, Member States are kindly requested to deposit their respective instruments of contribution with the Fund as soon as possible, and preferably before 16 August 2006, i.e. six months from the adoption of Resolution 141/XXIX.

8. Modalities for the payment of contributions to the Fund's Seventh Replenishment are outlined in paragraphs 8-13 of Resolution 141/XXIX. Member States are encouraged, where possible, to make advance payments of their contributions in accordance with paragraph 8 of the resolution, or to pay their contributions as early as possible within the replenishment period.
