PBAS: RURAL SECTOR PERFORMANCE ASSESSMENTS 2005-2006

Attachments I and II consists of the details of the rural development sector framework assessments for 2005 and 2006, in line with document EB 2003/80/R.3, which provides the criteria for such assessments. These assessments constitute the basis for the rural sector performance score in the total performance rating used for the country score and country allocation. These scores will be reviewed annually.
