1. Rule 6 of the Rules of Procedure of the Governing Council provides that the President shall prepare, with the approval of the Executive Board, a provisional agenda for each session of the Governing Council. The draft provisional agenda submitted to the ninety-first session of the Executive Board has been amended to include an item on the emoluments of the President, in the light of the presidential elections to be held at the Council’s thirty-second session in 2009. Accordingly, the Executive Board is invited to consider and approve the attached revised draft provisional agenda for the thirty-first session of the Governing Council.

2. The Executive Board is also invited to note the outline of events foreseen for the Governing Council session.
Provisional agenda and programme of events

IFAD’s thirtieth anniversary
Provisional agenda

1. The present document contains the provisional agenda as approved by IFAD’s Executive Board. Annotations are also attached.

2. The thirty-first session of the Governing Council will mark the official opening of the one-year period commemorating IFAD’s thirtieth anniversary. This anniversary year is an opportunity to reflect on both the achievements of IFAD over the last 30 years and the challenges it will face in the future in carrying out its mission of enabling rural poor people to overcome poverty.

3. To this end and in line with the format introduced in recent years, the proceedings of the thirty-first session of the Governing Council will include three simultaneous round-table discussions to be held on the morning of the second day. The topics identified for these discussions are of particular importance in today’s changing development context and deal with issues that are critical to finding innovative and sustainable solutions to the problems faced by IFAD’s target group – the rural poor.

4. National delegations are invited to attend the round-table discussions of their choice and, in order to maximize interaction, may wish to have different members attend different round tables.
