<sup>a</sup> Amount is converted into United States dollars by applying the average exchange rate, as described in paragraph 15 of Governing Council resolution 141/XXIX.

<sup>b</sup> Contributions are deemed to be the amount of the instrument of contribution, or the amount of the pledge in those instances in which an instrument of contribution has not been deposited.

<sup>c</sup> This amount has been paid as an advance contribution, no pledge has yet been received.

<sup>d</sup> The pledge recorded in resolution 141/XXIX was based on a replenishment target of US\$800 million, later adjusted to US\$720 million. The Belgian Government has approved a core contribution of EUR 9,810,000 (US\$12,044,199 equivalent) and an instrument of contribution in this amount has been deposited. The pledge also includes EUR 15,600,000 (US\$19,152,855 equivalent) as a complementary contribution in accordance with paragraphs 4(d) and 5(b) of resolution 141/XXIX. The Governing Council has decided that this complementary contribution will be used for the objectives of the Belgian Survival Fund and in conformity with its procedures.

<sup>e</sup> This pledge is subject to a satisfactory agreement on the application of the performance-based allocation system.

<sup>f</sup> The pledge originally recorded in resolution 141/XXIX was based on a 4.25 per cent share of the replenishment target and subject to government approval.
