## **Recommendation for approval**

The Executive Board is invited to consider the status of Member State contributions to the Eighth Replenishment and adopt the following decision:

The Executive Board, in accordance with article 5(b) of Resolution 154/XXXII on the Eighth Replenishment of IFAD's Resources, approves the proposed usage of Sweden's complementary contribution of SEK 100 million for the Eighth Replenishment, to be provided for both grant financing and the enhancement of the design and implementation of regular IFAD projects and programmes to increase food security in the least developed countries. Upon the Executive Board's approval, up to 25 per cent of the complementary contribution could be used, where appropriate, for technical assistance, in collaboration with the Investment Centre of the Food and Agriculture Organization of the United Nations.

## Report on the Eighth Replenishment of IFAD's resources

1. **Adoption.** Resolution 154/XXXII on the Eighth Replenishment of IFAD's Resources was adopted by the Governing Council on 19 February 2009. The period of the Eighth Replenishment is defined in the resolution as "the three-year period commencing 1 January 2010 and ending on 31 December 2012".
2. **Additional pledges.** Pledges made as at the date of adoption of the resolution, i.e. 19 February 2009, amounted to US\$940,434,693, including complementary contributions. As at 19 August, pledges amounted to US\$1,043,382,330, including complementary contributions. The status of pledges to the Eighth Replenishment as at 19 August 2009 is set out in annexes I, III and IV.
3. **Target.** Paragraph II.3(b) of resolution 154/XXXII established the target level of the Eighth Replenishment at US\$1.2 billion. Paragraph II.3(c) of resolution 154/XXXII specified that the structural gap between total pledges and the target level may not exceed fifteen per cent (15 per cent). As indicated in paragraph 2 above, and as set forth in annexes I, III and IV, pledges as at 19 August amounted to US\$1,043,382,330, corresponding to 86.9 per cent of the US\$1.2 billion target. Accordingly, the President of IFAD has communicated to all Members of the Fund that the target level of the Eighth Replenishment is confirmed at US\$1.2 billion.
4. **Creation of new votes.** Under the voting system introduced on 20 February 1997 by resolutions 86/XVIII and 87/XVIII, new votes are created for each replenishment. These votes are allocated on a basis similar to the original and replenishment votes and are divided between membership and contribution votes. As resolution 154/XXXII provided that votes for the Eighth Replenishment would be calculated on the basis of aggregate pledges received within the six months following the resolution's adoption on 19 February 2009, i.e. by 19 August 2009, paragraph IV.20 of the resolution could not be completed at the time of the resolution's adoption.
5. Of the total pledges of US\$1,043,382,330 received as at 19 August, pledges amounting to US\$69,856,657 were in the form of complementary contributions, pledged in accordance with paragraph II.4(d) of resolution 154/XXXII, and thus do not count towards the creation of votes. This results in a balance of US\$973,525,673 for the creation of Eighth Replenishment votes.
6. Under the formula stipulated in article 6, section 3(a)(ii) of the Agreement Establishing IFAD, 100 replenishment votes are created for every US\$158 million of convertible currency contributions pledged. Thus, for the Eighth Replenishment, the amount of US\$973,525,673 creates 616.155 replenishment votes, which are broken down into membership votes and contribution votes. The total of the Eighth Replenishment votes is fixed and will not be altered by any change in the membership of the Fund or further pledges to the Eighth Replenishment.
7. Paragraph IV.20 of resolution 154/XXXII has been completed as follows (the text added is underlined), as contained in revised resolution 154/XXXII:

### **"Allocation of New Votes for the Replenishment**

In accordance with section 3(a)(ii) of article 6 of the Agreement, six hundred and sixteen point one five five (616.155) new votes are hereby created for the Replenishment ("Eighth Replenishment Votes"). Those votes shall be distributed as follows:

- (a) **Membership Votes.** Two hundred and fifty-eight point six nine one (258.691) votes shall be allocated as membership votes, with each Member receiving an equal number of the said votes. Upon any change in the number of Members of the Fund, two hundred and fifty-eight point six nine one (258.691) votes shall

be redistributed upon the same basis. Column D-1 of attachment C to this resolution, as it may be amended from time to time, specifies the current distribution of Eighth Replenishment Membership Votes.

- (b) **Contribution Votes.** The remaining three hundred and fifty-seven point four six four (357.464) votes shall be allocated as contribution votes to each Member in the proportion that each Member's paid contribution, valued in United States dollars at the effective rate for the Replenishment, to the additional contributions made under the Replenishment, as specified in paragraph II.4(a) of this resolution and as amended by paragraph II.4(b) of this resolution, bears to the aggregate of the total contributions made by all Members to the Replenishment. For that purpose, a paid contribution shall be deemed to be only the part of a contribution of a Member actually paid to the Fund, in accordance with paragraph IV.20 of this resolution. Column D-2 of attachment C to this resolution, as it may be amended from time to time, specifies the potential Eighth Replenishment contribution votes for each Member if all Members pay the pledges specified in column B-2 of attachment A to this resolution. Column D-3 of attachment C to this resolution, as it may be amended from time to time, specifies the actual Eighth Replenishment contribution votes of each Member.
- (c) **Effectiveness.** The allocation of the six hundred and sixteen point one five five (616.155) votes, as specified in provisions (a) and (b) above, shall enter into effect upon the date on which the period specified in paragraph II.4(b) of this resolution shall come to an end."
8. Accordingly, the membership and contribution votes became effective as from 19 August 2009. A completed version of attachment C to resolution 154/XXXII containing the calculation of membership and contribution votes, including Eighth Replenishment votes, is attached hereto as annex II. Although the number of Eighth Replenishment votes is fixed at a total of 616.155, the distribution of contribution votes among Member States will change as payments of contributions are received. Therefore, all Member States contributing to the Eighth Replenishment, including those announcing their pledges after 19 August 2009, will receive a share of the Eighth Replenishment contribution votes in proportion to their respective share of paid-in contributions to the replenishment.
9. **Status of contributions.** Annexes III and IV set out the status of pledges, instruments of contribution deposited and payments in cash and promissory notes for the Eighth Replenishment, as at 19 August 2009.
10. As at 19 August 2009, pledges to the Eighth Replenishment amounted to US\$1,043,382,330 equivalent, corresponding to 86.9 per cent of the Eighth Replenishment target of US\$1.2 billion. Member States that have not yet pledged and those intending to increase their contribution are being urged to communicate their pledges to the Fund as soon as possible.
11. In accordance with paragraph II.8(a) of resolution 154/XXXII, the Eighth Replenishment will become effective on the date "upon which the Instruments of Contribution relating to contributions from all the Members have been deposited with the Fund in the aggregate total amount equivalent to at least fifty per cent (50%) of the total contribution to the Replenishment of all such Members". There are Members that make direct payments without depositing an instrument of contribution. This is in accordance with article 4.5(c) of the Agreement Establishing

IFAD. As at 19 August 2009, instruments of contribution and payments amounted to US\$338,048,227 or 32.4 per cent of the total pledges of US\$1,043,382,330. Member States are urged to deposit instruments of contribution as soon as possible so that the replenishment may become effective.

12. As at 19 August 2009, advance payments for the Eighth Replenishment had been received from Member States in an amount totalling US\$110.8 million equivalent, or 10.6 per cent of pledges.

<sup>1</sup> Converted to US\$ amount by applying the average exchange rate as described in paragraph 16 of this resolution.

<sup>2</sup> Belgium's pledge includes EUR 21 million to regular resources. Belgium also announced the intention to make a complementary contribution for the Belgian Survival Fund, at least as large as that made to the Seventh Replenishment (EUR 15.6 million), subject to parliamentary approval.

<sup>3</sup> Subject to parliamentary approval.

<sup>4</sup> Cameroon has to date remitted to IFAD US\$928,590 and indicated that its contribution may be increased to US\$1 million. The exact amount will be communicated at a later date.

<sup>5</sup> Germany's contribution depends on the following: (i) subject to entry into force of the 2009 federal budget law and parliamentary approval; (ii) Germany's contribution is not to exceed 6.5 percent of the total amount of pledges by all contributing Member States six months after the date upon which the Governing Council adopted the Resolution 154/XIII on the Eighth Replenishment; (iii) the unit of obligation will be decided by the German Government at the time of deposit of its Instrument of Contribution at the latest.

<sup>6</sup> Luxembourg's pledge is 0.2 per cent of the agreed target.

<sup>7</sup> The Netherlands pledges a maximum of US\$75 million to the Eighth Replenishment based on a target of US\$1.2 billion. If the final target is revised downwards, the Netherlands reserves the right to lower its pledge accordingly, in order not to exceed its percentage share of 6.25 of the target.

<sup>8</sup> The contribution of US\$50 million by the Kingdom of Saudi Arabia consists of US\$20 million as the Kingdom's regular contribution to the Eighth Replenishment and US\$30 million as a complementary contribution to the Replenishment which would be utilized to increase food production in low-income countries.

<sup>9</sup> Sweden's additional contribution will not exceed SEK 360 million and should correspond to no more than 5.4 per cent burden share of the total pledged. Sweden has also pledged a complementary contribution of SEK 100 million for both grant financing and enhancement of the design and implementation, of regular IFAD projects and programmes with the goal to increase food security in the least developed countries.

<sup>10</sup> The United Kingdom's pledge will be contingent on performance against commitments agreed on in the Report of the Consultation on the Eighth Replenishment of IFAD's Resources, in accordance with paragraph 5(c) of this resolution.

<sup>11</sup> Subject to approval through the budget process and congressional appropriation.

<sup>12</sup> The pledge could be for up to US\$21,568,891, subject to confirmation by the highest authorities of the Bolivarian Republic of Venezuela.

\* This amount has been paid as an advance contribution, but no pledge has yet been received.

\*\* The totals for the Eighth Replenishment reflect the pledges made to date. However, a number of countries have yet to announce their pledges. A number of countries also gave indications of their pledges pending formal confirmation of their precise contribution. This table will be updated periodically to reflect the additional pledges.

<sup>a</sup> Amount is converted into United States dollars by applying the average exchange rate, as described in paragraph 16 of Governing Council resolution 154/XXXII.

<sup>b</sup> Contributions are deemed to be the amount of the instrument of contribution, or the amount of the pledge in those instances in which an instrument of contribution has not been deposited.

<sup>c</sup> Subject to parliamentary approval.

<sup>d</sup> This amount has been paid as an advance contribution, no pledge has yet been received.

<sup>e</sup> Belgium's pledge includes a core contribution of EUR 21 million. Belgium also announced the intention to make a complementary contribution for the Belgian Survival Fund, at least as large as that made to the Seventh Replenishment (EUR 15.6 million), subject to parliamentary approval.

<sup>f</sup> Cameroon has to date remitted to IFAD US\$928,590 and indicated that its pledge may be increased to US\$1 million. The exact amount will be communicated at a later date.

<sup>g</sup> Germany's contribution depends on the following: (i) subject to entry into force of the 2009 federal budget law and parliamentary approval; (ii) "Germany's contribution is not to exceed 6.5 per cent of the total amount of pledges by all contributing Member States six months after the date upon which the Governing Council adopted the Resolution 154/XIII on the Eighth Replenishment; (iii) the unit of obligation will be decided by the German Government at the time of deposit of its instrument of contribution, at the latest.

<sup>h</sup> Luxembourg's pledge is 0.2 per cent of the agreed target.

<sup>i</sup> A notification has been received that a promissory note for US\$85,000 has been deposited with the Banco de Mozambique. Receipt of full documentation is pending.

<sup>j</sup> The Netherlands pledges a maximum of US\$75 million to the Eighth Replenishment, based on a target of US\$1.2 billion. If the final target is revised downwards, the Netherlands reserves the right to lower its pledges accordingly, in order not to exceed its percentage share of 6.25 of the target.

<sup>k</sup> The contribution of US\$50 million by Saudi Arabia consists of US\$20 million as Saudi Arabia's core contribution to the Eighth Replenishment and US\$30 million as a complementary contribution to the replenishment, to be utilized to increase food production in low-income countries.

<sup>l</sup> Sweden's additional contribution will not exceed SEK 360 million and should correspond to no more than 5.4 per cent burden share of the total pledged. Sweden has also pledged a complementary contribution of SEK 100 million for both grant financing and enhancement of the design and implementation of regular IFAD projects and programmes, with the goal of increasing food security in the least developed countries.

<sup>m</sup> The United Kingdom of Great Britain and Northern Ireland's pledge will be contingent on performance against commitments agreed on in the Report of the Consultation on the Eighth Replenishment of IFAD's Resources, in accordance with paragraph 5(c) of resolution 154/XXXII.

<sup>n</sup> Subject to approval through the budget process and congressional appropriation.

<sup>o</sup> The pledge could be for up to US\$21,568,891, subject to confirmation by the highest authorities of the Bolivarian Republic of Venezuela.

<sup>p</sup> In 1992, the Socialist Republic of Yugoslavia was dissolved and its membership with the Fund terminated *ipso facto*. None of the republics of the former Yugoslavia were permitted to

succeed to or continue the membership of Yugoslavia in IFAD. No contribution or payment was due by IFAD to Yugoslavia at the time of its dissolution, nor by Yugoslavia to IFAD.
