Minutes of the ninety-ninth session of the Executive Board

I. Introduction

1. The ninety-ninth session of the Executive Board was held in Rome from 21-22 April 2010. A list of delegations is attached as annex I.

2. The Executive Board had before it the documents listed in annex II.

II. Opening of the session

3. President Kanayo F. Nwanze opened the ninety-ninth session of the Executive Board.

4. The President welcomed two new members to the Executive Board, namely the representatives for Afghanistan and Pakistan, and then congratulated the representative for Nigeria on his appointment as chairperson of the Performance-Based Allocation System Working Group.

5. Following an update on recent developments on the global scene and at the Fund, the President informed the Board that the Office of Evaluation would now be presenting its evaluation of IFAD’s approaches and results in promoting gender equality and women’s empowerment in April 2011.

6. Regarding the Ninth Replenishment of IFAD’s resources and, recognizing that the final decision lies with the Governors of the Fund, the President announced his intention to recommend the appointment of an external chairperson for the consultations and looked forward to discussing this further within Convenors and Friends.

7. Finally, the Executive Board was informed by the Secretary of IFAD that the results of the Executive Board vote by correspondence regarding the country-specific grant to the Inter-American Institute for Cooperation on Agriculture (IICA) for the Haiti Post-Earthquake Support Programme for Food Security and Employment Generation in Affected Rural Areas had been posted (EB 2010/99/INF.5). In addition, the Secretary noted that as part of IFAD’s continuing efforts to be environmentally friendly, a new format for documents would be introduced for future governing body meetings.

III. Decisions of the Executive Board

A. Adoption of the agenda (agenda item 2)

8. The Executive Board adopted the agenda as proposed in document EB 2010/99/R.1/Rev.1 (to be revised as EB 2010/99/R.1/Rev.2) and further revised to reflect amendments agreed to by the Board; the Board also noted the schedule of work, as outlined in EB 2010/99/R.1/Rev.1/Add.1/Rev.1.

9. Amendments included the following:

   (a) Postponement of the proposal for the National Programme to Support Agricultural Value Chain Actors (PNAAFA) in Guinea;

   (b) Inclusion of both the revised charter and the workplan of IFAD’s Office of Audit and Oversight, which had previously been considered by the Audit Committee;

   (c) Inclusion of an additional item on the synthesis of deliberations of the third meeting of the Farmers’ Forum, at the request of the representative for the Bolivarian Republic of Venezuela;

   (d) Withdrawal of the framework agreement with the Global Alternative Energy Foundation, to allow for further due diligence.
B. **Oral presentation: Update on global developments: Possible implications for IFAD (agenda item 3)**

10. In line with the practice introduced at the ninety-seventh session of the Board, the Executive Board began its session with a topical presentation on global food security, specifically on the developments since the food crisis of financial year 2007-2008 and their strategic implications for IFAD.

11. Welcoming the timely presentation, the Board made productive and insightful comments. Members encouraged IFAD to continue to reflect on the global situation and to aim for a greater impact on the ground. Specifically, IFAD was called upon to maximize its involvement in the Agriculture and Food Security Initiative, while continuing to forge new and innovative partnerships.

12. Members expressed their appreciation of the comprehensive presentation and the linkages identified, and welcomed the emphasis on improving efficiency to meet strategic objectives.

13. Some members suggested that South-South cooperation be included as a topic when considering global responses.

C. **IFAD Climate Change Strategy (agenda item 4)**

14. The Executive Board considered the IFAD Climate Change Strategy (EB 2010/99/R.2), recognizing the timeliness of its submission, and emphasized the centrality of innovation and knowledge sharing to its successful implementation. In approving the strategy, the Board concurred that climate change should be integrated more systematically into IFAD-supported projects, programmes and policies. Furthermore, the Board authorized – and indeed urged – IFAD, under the leadership of its President, to seek partnership with other organizations, institutions and entities to achieve such integration and to mobilize resources to facilitate the process.

D. **Revised IFAD Policy on the Disclosure of Documents (agenda item 5)**

15. The IFAD Policy on the Disclosure of Documents (EB 2010/99/R.3/Rev.1) was considered by the Board. It was decided that before proceeding with the presentation of a proposal to expand the disclosure policy, Management and members would clarify outstanding issues through Convenors and Friends, with a view to returning to the Board at its September 2010 session.

E. **Evaluation (agenda item 6)**

(a) **Reports of the Chairperson of the Evaluation Committee**

16. The Executive Board considered the reports of the Chairperson of the Evaluation Committee on the sixty-first (EB 2010/99/R.4) and sixty-second sessions of the Evaluation Committee and noted the information contained therein.

17. Following a discussion on the submission of Committee reports, the Board was reminded of the legal opinion, sent to the Evaluation Committee on 30 November 2009, in which the process for submitting requests for the Executive Board’s decision were analysed. It was agreed that the committee chairs and the President would ensure clarification of the procedures for processing documents submitted by committees to the Executive Board.

(b) **Peer Review of IFAD’s Office of Evaluation and Evaluation Function**

19. Members expressed their appreciation to the Peer Review Panel for the quality and breadth of the report. An engaging discussion ensued, after which all parties endorsed the seven overarching recommendations arising from the report. The discussion helped overcome misunderstanding, although diverse views were expressed on some of the more detailed recommendations and on processes and procedures, which would require further review. In this respect, agreement was reached that the Evaluation Committee would be responsible for reviewing outstanding issues and would benefit from the full support of Management and the Office of Evaluation (IEO) in this regard.

20. The Board noted the President’s reaffirmed commitment to safeguarding the independence of the Office of Evaluation and also the establishment of regular meetings between the President and the Director, IEO, with a view to fostering improved communication and collaboration.

(c) Corporate-level evaluation of IFAD’s capacity to promote innovation and scaling up

21. The Executive Board considered the corporate-level evaluation (CLE) of IFAD’s capacity to promote innovation and scaling up (EB 2010/99/R.7) together with Management’s response thereto (EB 2010/99/R.7/Add.1). Some members expressed concern regarding the quality of the report, in particular its complexity, presentation and preparation. Nonetheless, the Board welcomed the evaluation’s findings and recommendations and acknowledged Management’s emphasis on the need to maintain a two-pronged approach for the innovation agenda, maintaining both the “big bet” and the decentralized approaches.

22. Having taken note of the comments made, the Office of Evaluation invited members to consider the full evaluation report, which addressed many of the issues raised.

23. Finally, the Board welcomed Management’s commitment to define an innovation agenda for IFAD, to treat scaling up as mission-critical and to strengthen organizational capabilities and the culture for innovation.

(d) Membership of the Evaluation Committee

24. Having considered the document on the membership of the Evaluation Committee (EB 2010/99/R.46), the Board took note of Sweden’s intention to withdraw from the Evaluation Committee prior to the expiration of the term of office in order to assume the role of co-convenor of List A. In accordance with rule 11.1 of the Rules of Procedure of the Executive Board and rule 3 of the Rules of Procedure of the Evaluation Committee, the Board approved the appointment of France as a new member of the Evaluation Committee for the two-year period ending in April 2012.

F. Haiti: An IFAD structure for permanent debt relief (agenda item 7)

25. The Executive Board considered the document entitled Haiti: An IFAD structure for permanent debt relief (EB 2010/99/R.8) and, expressing its ongoing deep concern for the people of Haiti who continued to suffer in the aftermath of the earthquake, approved the document and its recommendations. During an intense discussion, several members, in supporting Management’s proposal, emphasized the compromise position taken in the interests of providing prompt and timely support.

26. Underlining the global commitment to assist Haiti, the Board authorized the Fund to accept contributions from Member States to be used to cancel Haiti’s debts in respect of IFAD loans on a pay-as-you-go basis. Such funds shall be deposited in an administrative account managed and accounted for separately from other IFAD resources and reported on periodically to the Executive Board.
27. Furthermore, the Board decided that the balance of any amount due by Haiti to the Fund, which cannot be liquidated with resources from the administrative account set up for this purpose or otherwise, shall be converted into grants as the repayments fall due, up to 30 per cent (US$15.2 million) of the total loans at net present value terms (US$50.7 million) as estimated on 31 January 2010. Such conversions shall be periodically reported to the Executive Board.

28. During the discussion, while pending final confirmation, several members expressed their countries’ commitment to Haiti, which would be forthcoming in the form of contributions toward the relief of Haiti’s debt to IFAD and urged fellow members to join in these efforts.

G. Country strategic opportunities programmes (COSOPs) (agenda item 8)

(a) Azerbaijan

29. The IFAD Executive Board discussed the COSOP for Azerbaijan (EB 2010/99/R.9). The Azerbaijan COSOP was commended for the sound engagement approach developed for this middle-income country. The COSOP’s close alignment with the country’s poverty reduction policy framework was highlighted by several Executive Board members as evidence of the growing alignment of IFAD interventions with national priorities. The representative for the Netherlands commented that the programme appeared to lack sufficient focus on women’s livelihoods. The Nigeria representative endorsed the two strategic objectives and sought clarification on the stated farmers’ resistance to adopting new natural resource management techniques. The representative for the United States asked for clarification on IFAD’s approach to delivering rural financial services in a country where the banking system is “over-liquid”. She voiced concern about the apparent complexity of the project pipeline (contained in the annex). The country programme manager for Azerbaijan responded to the Executive Board’s comments and offered additional insights into the country programme.

(b) Dominican Republic

30. The Executive Board considered the COSOP for Dominican Republic (EB 2010/99/R.10) and commended both the quality of the document and IFAD’s work in the country. In particular, members commented on the COSOP’s alignment with national development strategies, the focus on fostering synergies and promoting South-South cooperation with Haiti and the associated need for an updated COSOP for Haiti, and the emphasis on promoting enhanced competitiveness and more value-adding activities in the smallholder sector. The participatory and exhaustive nature of the consultation process leading to the COSOP’s preparation was underlined by the Dominican representative.

(c) Nigeria

31. The COSOP for Nigeria was presented to the Executive Board (EB 2010/99/R.11). Several useful issues were raised and addressed satisfactorily. In light of the good quality of the document, as well as the thorough and participatory consultations held during the design process, members unanimously supported the COSOP.

(d) Sierra Leone

32. The Executive Board reviewed the COSOP for Sierra Leone (EB 2010/99/R.12) and praised its relevance, targeting and strategic objectives. The Board reiterated the importance of capacity-building and local development support in this specific post-conflict country. Members wished to know (i) how procurement risks would be mitigated at the decentralized level and (ii) if oil palm plantation would be linked with biofuel development in the country. In answer to these queries, it was noted that (i) the training, support and supervision for procurement provided at the district level in 2009 had been successful and would be replicated and (ii) palm oil
production would be used for domestic consumption and the smallholder farmers’ surplus would be sold at local markets.

H. **Resources available for commitment (agenda item 9)**

33. The Executive Board noted that estimated net inflows for the three months to 31 March 2010 amounted to US$217.3 million. Loans and grants presented for approval amounted to US$290.5 million, while grants already approved totalled US$2.1 million resulting in a shortfall in resources of an estimated US$75.3 million. The Board, therefore, approved the use of an additional US$75.3 million under the advance commitment authority.

I. **Project/programme proposals for consideration by the Executive Board (agenda item 10)**

34. The Board noted the oral report provided on the status of proposals approved at previous sessions. The situation with regard to the North-east Rural Family Enterprise Development Support Project in Brazil was clarified, and the Board was informed that if this loan did not become effective by August 2010, it would be cancelled. Similarly, with regard to the Rural Microenterprise Development Programme in Nigeria, the Board was informed that the deadline for signing the financing agreement had elapsed, and that Management had therefore initiated the process of cancelling the loan approved for this project. Committee

70. The Executive Board reviewed the Chairperson’s report on the 113th meeting of the
Audit Committee (EB 2010/99/R.41, to be revised as EB 2010/99/R.41/Rev.1) and
approved the recommendation contained in paragraph 27, duly revised to reflect
the deliberations of the Board.

(a) Revised Charter of the IFAD Office of Audit and Oversight

71. The Board reviewed the revised Charter of the IFAD Office of Audit and Oversight
(AUI). In accordance with paragraph 4.1(c) of the charter and following the
approval by the President and review by the Audit Committee on 8 April 2010, the
Executive Board confirmed the revised charter (as contained in the attachment to
EB 2010/99/R.49, to be revised as EB 2010/99/R.49/Rev.1), with the following
revision of paragraph 4.1(a) requested by the Board: “The Director of AUI reports
directly and is accountable to the President, and shall discuss AUI’s charter, annual
workplan, adequacy of AUI’s resources and results of AUI’s work with the Audit
Committee of the Executive Board (Audit Committee).” The President noted that
such confirmation means that the Board is satisfied that the arrangement for the
internal audit and control established by the President conforms to the Financial
Regulations adopted by the Governing Council.

72. Furthermore, some Member States reiterated that the sessions of the Audit
Committee are open. At the same time it was clarified that pursuant to its Terms of
Reference the Audit Committee may hold closed sessions. Several members also
raised the issue of access by Board members, not members of the Audit
Committee, to documentation submitted to the Audit Committee, and requested
that this issue be reviewed with a view to promoting increased transparency in the
governance of the institution. The Chairperson proposed to have the Audit
Committee discuss the issue at its next session.

(b) Workplan for IFAD’s Office of Audit and Oversight for 2010

73. In accordance with the revised Charter of the IFAD Office of Audit and Oversight,
the Executive Board reviewed and confirmed the AUI workplan for 2010

(f) Consolidated financial statements of IFAD as at 31 December 2009

74. The Executive Board reviewed the consolidated financial statements for IFAD for
2009 and the report of the external auditor thereon (EB 2010/99/R.42 and its
addendum, to be revised as EB 2010/99/R.42/Rev.1), In accordance with the recommendation of the Audit Committee, the Executive Board approved the following decision:

“In accordance with regulation XII(6) of the Financial Regulations of IFAD, the Executive Board considered the 2009 consolidated financial statements of IFAD and the report of the external auditor thereon and agreed to submit them to the Governing Council at its thirty-fourth session in February 2011 for approval.”

O. Other business (agenda item 16)

(a) Appeal of judgment No. 2867 of the International Labour Organization Administrative Tribunal to the International Court of Justice

75. The Board approved the Appeal of judgment No. 2867 of the International Labour Organization Administrative Tribunal to the International Court of Justice (EB 2010/99/R.43/Rev.1). Following discussion on the potential risks to IFAD and the pressing need to clarify the Fund’s responsibilities and liabilities in hosting other entities, the Board agreed to proceed with the appeal and adopted the resolution as set out in the document.

76. The Executive Board representatives for Argentina and the Bolivarian Republic of Venezuela were not able to join the consensus and therefore requested their abstentions to be recorded.

(b) Minutes of the ninety-eighth session of the Executive Board

77. Having considered the revisions to the minutes of the ninety-eighth session of the Executive Board as contained in document EB 2010/99/R.45, the Executive Board adopted the revised minutes.

(c) Synthesis of deliberations of the third meeting of the Farmers’ Forum

78. The Executive Board welcomed the synthesis of deliberations of the third meeting of the Farmers’ Forum (EB 2010/99/R.52), noting IFAD’s commitment to deepening its partnerships with farmers’ organizations and to strengthening the role of women in farmers’ organizations.

**Agenda**

As communicated to the Executive Board at its ninety-sixth session, the Chairperson of the Board – the President of IFAD – has proposed the implementation of a number of measures to enhance the effectiveness of the Executive Board.

Among these is the proposal that items presented for information will be discussed during a Board session only if deemed necessary by Management or at the specific request of a Board member. Such requests should be submitted in writing to the Secretary of IFAD three weeks before the Board session.

The schedule of work will include only items to be discussed during the Board session (i.e. items for approval or review and items for information as identified by Management or for which a written request for discussion at the Board has been received) and will be posted on the IFAD website two weeks before the session.

For ease of reference, each agenda item is assigned a letter to indicate the action required of the Board, as follows:

- **A** = For approval
