Evaluation Committee — 113th Session
Rome, 30 June 2021

For: **Approval**

Recommendation for approval

The Evaluation Committee is invited to approve the recommendation contained in paragraph 4.

Proposed dates for sessions of the Evaluation Committee in 2022

1. The calendar of the main meetings of IFAD, the Food and Agriculture Organization of the United Nations and the World Food Programme for 2022 has already been discussed and agreed upon in governing body meetings of each agency.
2. In view of the heavy programme for 2022, it is proposed that the dates of the Evaluation Committee sessions be fixed in advance to avoid scheduling conflicts with other major events planned during the same period.
3. The following dates for the Evaluation Committee's sessions in 2022 are therefore proposed:
 - 116th session Thursday, 17 March 2022
 - 117th session Tuesday, 7 June 2022
 - 118th session Friday, 2 September 2022
 - 119th session Friday, 14 October 2022

Recommendation

4. The Evaluation Committee is requested to approve the dates for its sessions in 2022 as proposed above.
