Support Project for the Strategic Plan for the Transformation of Agriculture

(Projet d'Appui au Plan Stratégique de la Transformation de l'Agriculture - PAPSTA)

Project Performance Assessment

PAPSTA at a Glance

- **Project area:** The Districts of Bugesera, Gakennke, Kirehe, Ngororero, Nyamagabe and Nyanza
- **Target group:** the most vulnerable groups in rural areas and farmers' organisations
- **Total Project cost:** USD 30.4 million
- **Implementation period:** 2006 - 2013
- **Lead Project Agency:** Ministry of Agriculture and Animal Resources

Satisfactory Performance

Component 1: Institution Building

- a. Policy advice and development
- b. Central and local level capacity building

Component 2: Innovation and Replication

- c. Protection of watershed basins & control of soil erosion
- d. Livestock development
- e. Crop Intensification
- f. Marshland development
- g. Research to support agricultural intensification

Component 3: Project Management

- h. Establishment of a Single Project Implementation Unit

Remaining Challenges

Sustainability

- Target Groups
- Institutions & Sustainable Finance for Operation and Maintenance
- Business Development

Opportunities / Recommendations

- Partnerships
- Scaling-up on environmental aspects
 - Financing mechanism – pilot
