Rome, 20-21 February 2001

**REPORT ON THE FIFTH REPLENISHMENT OF IFAD'S RESOURCES**

**A. Introduction**

1. The Governing Council, at its Twenty-Second Session in February 1999, adopted Resolution 112/XXII establishing the Consultation to Review the Adequacy of the Resources Available to IFAD ("the Consultation"). The Consultation, consisting of all Member States from Lists A and B and 12 Members and five Observers from List C, was requested to review the adequacy of the resources available to IFAD and to negotiate, if appropriate, such arrangements as may be necessary to ensure the adequacy of the said resources.

2. The Consultation met in six sessions between February 1999 and February 2000 and presented its draft Report to the Twenty-Third Session of the Governing Council on 16 February 2000. After considering the document, the Council, recognizing that the Consultation's work needed to be continued, that its final Report needed to be approved, and that the draft Resolution on the Fifth Replenishment of IFAD's Resources needed to be adopted as soon as possible, adopted Resolution 115/XXIII on the subject, in which it decided, *inter alia*, that:

- "1. The Consultation is requested to continue meeting so as to conclude its deliberations as soon as possible, upon which event it is requested to submit its report and any draft resolutions thereon to the Governing Council for approval and adoption.
2. In the event that the Consultation concludes its deliberations prior to the Twenty-Fourth Session of the Governing Council, the Report and draft resolutions thereon shall be submitted to the Governing Council for approval and adoption by the holding of a vote by correspondence in accordance with Rule 39 of the Rules of Procedure of the Governing Council. For this purpose, in accordance with Rule 45 of the Rules of Procedure of the Governing Council, the operation of Rule 34.1(a) of the Rules of Procedure of the Governing Council is hereby suspended temporarily to the extent that it relates to the adoption of the draft Resolution on the Fifth Replenishment of IFAD's Resources through a vote by correspondence."

3. At its Seventh Session on 16 June 2000, the Consultation finalized its report “Partnerships for Eradicating Rural Poverty: Report of the Consultation to Review the Adequacy of the Resources Available to IFAD 2000-2002” and decided to recommend to the Governing Council for adoption a draft resolution on the Fifth Replenishment of IFAD’s Resources, through a vote by correspondence.

### **B. Vote by Correspondence**

4. On 29 June 2000, the President of IFAD sent, by express courier to all Member States, the report “Partnerships for Eradicating Rural Poverty: Report of the Consultation to Review the Adequacy of the Resources Available to IFAD 2000-2002” and invited the Governing Council to approve the draft resolution on the Fifth Replenishment of IFAD’s Resources. A deadline of Monday, 31 July 2000, was set for receipt of replies.

5. Under Rule 34.1(a) of the Rules of Procedure of the Governing Council, approval of the replenishment of the resources of the Fund requires at least two thirds of the total number of votes (i.e. 1 377.034 votes) and, in accordance with past practice, absence of a written reply by the stipulated deadline date is considered a “yes” vote. As at the close of business on 31 July 2000, all replies received were in the affirmative and therefore the resolution set out in the attachment hereto was adopted unanimously.

### **C. Further Steps for the Effectiveness of the Fifth Replenishment**

6. With the adoption of Resolution 119/XXIV on the Fifth Replenishment of IFAD’s Resources, the following steps remain necessary to achieve the effectiveness of the Fifth Replenishment:

- (a) **Completion:** Paragraph V.21 of the Resolution requires the Executive Board to complete the Resolution once pledges “shall have been received equalling at least eighty per cent (80%) of the three hundred and sixty million dollars (USD 360 000 000) target of the List A Member Countries and eighty per cent (80%) of the combined one hundred million dollars (USD 100 000 000) target of the List B and List C Member Countries.” As at 22 December 2000, the target for List A Member Countries had been met but that for List B and List C Member Countries, which stood at USD 48.3 million, had not. At its Seventy-First Session in December 2000, the Executive Board delegated the completion of the Resolution to the President of IFAD in the event that the conditions precedent thereto are met prior to the Governing Council Session. Paragraph II.4(a) of the Resolution would then be finalized by the insertion of a figure, which would be the total amount that has been pledged on the date of completion of the Resolution.
- (b) **Additional pledges:** Paragraph II.4(b) of the Resolution provides for a period of six months from the date of completion of the Resolution in which Member States may make or increase their pledged contributions to the Fifth Replenishment. Pledges received after this period will not count towards the creation of new votes under the Fifth Replenishment.
- (c) **Creation of votes:** Upon the expiry of the above-mentioned six-month period, the total amount pledged to the Fifth Replenishment by that date will permit the calculation of the amount of new votes to be created for the Fifth Replenishment using the formula stipulated in Article 6, Section 3(a)(ii), of the Agreement Establishing IFAD, namely “in the ratio of one hundred (100) votes for the equivalent of each one hundred and fifty eight million United States dollars (USD 158 000 000) contributed to the total amount of that replenishment, or a fraction thereof”. Paragraph IV.19 of the Resolution would then be finalized.

- (d) **Effectiveness:** The Fifth Replenishment will become effective, according to paragraph II.7(a) of the Resolution, on the date “upon which the Instruments of Contribution relating to contributions from all the Members have been deposited with the Fund in the aggregate total amount equivalent to at least fifty per cent (50%) of the total contribution to the Fifth Replenishment of all such Members...”. Payment of contributions without the deposit of an Instrument of Contribution will also count, in practice, as the deposit of an Instrument of Contribution for the amount paid.

7. It should be noted that contributions paid before the date of the effectiveness of the Resolution will not be available as resources available for commitment to loans and grants unless the contributing Member so specifies in accordance with paragraph II.8 of the Resolution. Member States are encouraged to so do.

8. Attachments A and C to the Resolution attached hereto have been updated to reflect the status of contributions and allocation of votes as at 22 December 2000.
