THE FIFTH REPLENISHMENT OF IFAD'S RESOURCES

Resolution 119/XXIV

The Fifth Replenishment of IFAD's Resources

The Governing Council of IFAD,

Recalling Article 4.3 of the Agreement Establishing the Fund, which provides that, in order to assure continuity in the Fund's operations, the Governing Council shall periodically review the adequacy of the resources available to the Fund and, if necessary, invite Members to make additional contributions to the resources of the Fund;

Further recalling Governing Council Resolution 112/XXII, adopted on 17 February 1999, establishing a Consultation to review the adequacy of the resources available to the Fund, and to negotiate, if appropriate, such arrangements as may be necessary to ensure the adequacy of the said resources;

Urging those Members which have not yet paid the full share of their previous contributions to the resources of the Fund and those which have not yet deposited their Instruments of Contribution for the Third and/or Fourth Replenishments to adopt effective measures to complete such payments and deposit such Instruments of Contribution as soon as possible;

Reaffirming its unanimous support for the Fund and its mandate to fight hunger and alleviate poverty and noting with great satisfaction the Fund's continued progress in discharging effectively that mandate;

Noting the desire of its Members to maintain an adequate level of annual loan and grant commitments in order to enable the Fund to fulfil its mandate;

Further recalling its Resolution 100/XX on the Provision of Advance Commitment Authority during the Fourth Replenishment Period, adopted on 21 February 1997;

Having considered Partnerships for Eradicating Rural Poverty: Report of the Consultation to Review the Adequacy of the Resources Available to IFAD, contained in document GC 24/L.3 and the Draft Resolution on the Fifth Replenishment of IFAD's Resources attached thereto;

Taking into account the statements made in the Consultation to Review the Adequacy of the Resources Available to the Fund that a number of Members have indicated their intention to contribute to the resources of the Fund through pledges of contributions under the Fifth Replenishment, in accordance with the arrangements set forth in this Resolution, it being understood that no commitment in that regard will arise for any Member until the Member concerned has deposited an Instrument of Contribution and that such instrument takes effect in accordance with its terms and conditions consistent with this Resolution and the Agreement Establishing the Fund;

Acting upon the conclusions of the Consultation to Review the Adequacy of the Resources Available to the Fund, which has recommended that, in view of the needs of the developing Member Countries of the Fund in regard to their continued development in the agricultural and rural sectors, the resources of the Fund are in vital need of replenishment so as to enable the Fund to carry out its programme of work for the Replenishment Period, the Members should be invited to make additional contributions to the resources of the Fund.

Decides:

II. Contributions

3. General Clause

- (a) The Governing Council accepts the Report of the Consultation to Review the Resources Available to the Fund (document GC 24/L.3) and invites Members to make additional contributions to the resources of the Fund under the Replenishment.
- (b) The target level of the Replenishment is established at five hundred and sixty nine million dollars (USD 569 000 000), which amount shall be contributed in freely convertible currencies. In seeking that objective, the Replenishment has been accomplished through the good will of all Members in making an effort to ensure the availability of a sufficient level of resources to the Fund. In this respect, the Member Countries shall endeavour to ensure that the target level of the Replenishment is achieved, if necessary, by an increase in their additional contributions.

4. Additional, Increase in and Complementary Contributions

The Fund is authorized, in accordance with the Agreement and the provisions of this Resolution, to accept from Members for the resources of the Fund:

- (a) additional contributions in freely convertible currencies from all Members totalling four hundred and thirty one million dollars (USD 431 000 000)¹, contributed in sums as indicated for the respective Members, in terms of the applicable unit of obligation, as set out in Columns B-1 and B-2 of Attachment A to this Resolution;
- (b) with the objective of attaining and supplementing the target level of the Replenishment referred to in paragraph II.3(b) of this Resolution, additional contributions in freely convertible currencies from all Members that increase the additional contributions of Members shown in Columns B-1 and B-2 of Attachment A to this Resolution and pledged in accordance with paragraph II.4(a) above, if the said increase in additional contributions is notified in writing to the Fund no later than a date six months after the date of

the completion of this Resolution. Upon receipt of formal pledges of further additional contributions, the President of the Fund shall communicate a revised Attachment A to all Members of the Fund no later than fifteen days after the above-mentioned date. In order to assist this process, the President of IFAD is requested to take such steps as may be necessary to ensure that the target level of the Replenishment specified in paragraph II.3(b) of this Resolution is attained;

- (c) an increase in contribution to the resources of the Fund for the Replenishment; and
- (d) complementary contributions, not forming part of the pledged contributions included in Columns B-1 and B-2 of Attachment A to this Resolution.

5. **Special Contributions and Complementary Contributions**

- (a) **Special Contributions.** During the Replenishment Period, the Fund may accept special contributions from non-Member States or other sources. The President shall notify the Executive Board of all such contributions.
- (b) **Complementary Contributions.** During the Replenishment Period, the Fund may accept complementary contributions from Member States. Complementary contributions shall not form part of the pledged contributions included in columns B-1 and B-2 of Attachment A to this Resolution and, accordingly, shall not entitle the said contributing Member State to receive Contribution Votes under paragraph IV.17(b) of this Resolution. After the completion of this Resolution, the Executive Board may, from time to time, decide upon the use to be made of the complementary contributions so received.

6. **Instrument of Contribution**

(a) **General Clause**

- (i) Members making contributions under this Resolution shall deposit with the Fund, not later than a date six months after the date of the completion of this Resolution, an Instrument of Contribution² specifying therein the amount of its contribution in the applicable unit of obligation as set forth in Columns B-1 and B-2 of Attachment A to this Resolution.
- (ii) Any Member which has not been able to make a pledge of its contribution under this Resolution may deposit its Instrument of Contribution in accordance with the requirements of provision (i) of this paragraph. The President of the Fund shall take such steps as may be necessary for the implementation of this provision and shall keep the Executive Board informed, in accordance with paragraph II.16 of this Resolution.

² An illustrative format of an Instrument of Contribution is given in Attachment D to this Resolution, which a Member may follow in preparing its Instrument of Contribution.

- (b) **Unqualified Contribution.** Except as provided in paragraph II.6(c) below, the Instrument of Contribution shall constitute an unqualified commitment by the Member to make payment of the contribution in the manner and on the terms set forth in or contemplated by this Resolution.
- (c) **Qualified Contribution.** As an exceptional case, where an unqualified contribution commitment cannot be given by a Member due to its legislative procedures, the Fund may accept from that Member an Instrument of Contribution that contains a formal notification by that Member that it will pay the first instalment of its contribution without qualification but that payment of the remaining instalments is subject to the enactment of the necessary appropriation legislation and compliance with other legislative requirements. Such a qualified Instrument, however, shall include an express undertaking on the part of the Member to seek the necessary appropriations at a rate so as to complete payment of its total contribution not later than a date three years after the date of the completion of this Resolution, except as the Executive Board shall otherwise determine. The Fund shall be notified as soon as possible after such appropriation has been obtained and such other legislative requirements have been fulfilled. For the purposes of this Resolution, a qualified contribution shall be deemed to be unqualified to the extent that appropriations have been obtained, other legislative requirements have been met and the Fund has been notified.

7. **Effectiveness**

- (a) **Effectiveness of the Replenishment.** The Replenishment shall come into effect on the date upon which the Instruments of Contribution relating to contributions from all the Members have been deposited with the Fund in the aggregate total amount equivalent to at least fifty per cent (50%) of the total contribution to the Replenishment of all such Members as set forth in Column B-3 of Attachment A to this Resolution.
- (b) **Effectiveness of Individual Instruments of Contribution.** Instruments of Contribution deposited on or before the effective date of the Replenishment shall take effect on the date the Replenishment becomes effective and Instruments of Contribution deposited after that date shall take effect on their respective dates of deposit.

8. **Advance Contribution**

Notwithstanding the provisions of paragraph II.7 above, any Member may notify the Fund that a specified portion of its contribution shall be treated as an advance contribution to the resources of the Fund until the Replenishment becomes effective. Such advance contributions may be used by the Fund for its operations, if necessary, in accordance with the requirements of the Agreement and other relevant policies of the Fund. Any loan and grant commitments made by the Fund on such advance contributions shall for all purposes be treated as part of the Fund's operational programme.

9. **Instalment Payments**³

(a) **Payment of an Unqualified Contribution**

(i) Each contributing Member shall, at its option, pay its unqualified contribution in a single sum, in two or in no more than three instalments, as specified in the Instrument of Contribution. The single sum or the first instalment shall be due on the thirtieth day after the Member's Instrument of Contribution enters into effect, and any other instalment shall be due on the first anniversary of the entry into effect of the Replenishment but the balance, if any, of the payment shall be made no later than a date three years after the completion of this Resolution, except as the Executive Board shall otherwise determine.

(ii) Instalment payments in respect of each unqualified contribution shall be, at the option of the Member, either (A) in equal amounts or (B) in progressively graduated amounts with the first instalment amounting to at least thirty per cent (30%) of the contribution, the second instalment amounting to at least thirty five per cent (35%) and the third instalment, if any, covering the remaining balance. In special circumstances, the Executive Board may, upon the request of a Member, agree to vary the prescribed percentages or number of instalments of a Member subject to the requirement that such a variation shall not affect adversely the operational needs of the Fund.

(b) **Payment of a Qualified Contribution.** Payment in respect of a qualified contribution shall be made within ninety (90) days as and to the extent each instalment has become unqualified and becomes due in accordance with provision (a)(i) of this paragraph.

(c) **Payment of an Advance Contribution and Amount of Instalments.** A Member who shall make advance contribution of no less than forty per cent (40%) of its total contribution may, in consultation with the Executive Board, vary the amounts of the second and third instalments free of any restriction on the size of such instalments prescribed in provision (a)(ii) above, subject to the total amount of its contribution.

(d) **Schedule of Payments.** To the extent the payments are to depart from the requirements of provision (a)(i) and percentages of instalments specified in provision (a)(ii) of this paragraph, at the time of depositing its Instrument of Contribution, each Member should preferably indicate to the Fund its proposed schedule of instalment payments on the basis of the arrangements set forth in this paragraph.

(e) **Optional Arrangements.** A Member may at its option pay its contribution in fewer instalments or in larger percentage portions or at earlier dates than those specified in this paragraph, provided that such payment arrangements are no less favourable to the Fund.

³ Payments from all Members shall be consistent with the provisions of Section 5(c) of Article 4 of the Agreement.

10. **Mode of Payment**

- (a) **Form of Payment.** All payments in respect of each contribution shall be made in cash or, at the option of the Member, by the deposit of non-negotiable, irrevocable, non-interest-bearing promissory notes or other similar obligations of the Member, encashable by the Fund at par on demand in accordance with such drawdown arrangements as the Executive Board shall determine on the basis of the operational requirements of the Fund.
- (b) **Freedom from Restriction of Use.** In accordance with the requirements of Section 5(a) of Article 4 of the Agreement, all freely convertible currency contributions shall be made free of any restriction as to their use by the Fund.
- (c) **Increase in Cash Payment.** To the extent possible, the Members may favourably consider payment of larger portions of their contributions in cash.

11. **Encashment of Promissory Notes or Similar Obligations**

It is expected that the Fund will commence drawing down against promissory notes or other similar obligations made as payment of contributions under this Resolution only in 2004.

12. **Currency of Payment**

All contributions referred to in Columns B-1 and B-2 of Attachment A to this Resolution shall be paid in freely convertible currencies or in SDRs as specified in the respective Instruments of Contribution.

13. **Delay in Deposit of an Instrument of Contribution and/or Reduction in Payment**

- (a) **Option of Commensurate Modification.** In the case of an undue delay in the deposit of an Instrument of Contribution or in payment or of substantial reduction in its contribution by a Member, any other Member may, notwithstanding any provision to the contrary in this Resolution, at its option, after consultation with the Executive Board, make a commensurate modification, *ad interim*, in its schedule of payment or amount of contribution. In exercising this option, a Member shall act solely with a view to safeguarding the objectives of the Replenishment and avoiding any significant disparity between the relative proportion of Members' total contributions until such time that the Member whose delay in the deposit of an Instrument of Contribution and/or payment or reduction in its share causing such a move by another Member has acted to remedy the situation on its part or the Member exercising the option revokes its decision taken under this provision.
- (b) **Member not Modifying Commitment.** Members that do not wish to exercise their option referred to in paragraph II.13(a) above may indicate so in their respective Instruments of Contribution.

14. **Meeting of the Consultation**

If, during the Replenishment Period, delays in the making of any contributions cause or threaten to cause a suspension in the Fund's lending operations or otherwise prevent the substantial attainment of the goals of the Replenishment, the Fund may convene a meeting of the Consultation to review the situation and consider ways of fulfilling the conditions necessary for the continuation of the Fund's lending operations or for the substantial attainment of those goals.

15. **Exchange Rates**

For the purposes of freely convertible currency contributions and pledges under this Resolution, the rate of exchange to be applied to convert the unit of obligation into the dollar shall be the average month-end exchange rate of the International Monetary Fund (IMF) over the six-month period preceding the adoption of this Resolution between the currencies to be converted (1 July 1999-31 December 1999), rounded to the fourth decimal point.

16. **Review by the Executive Board**

The Executive Board shall periodically review the status of contributions under the Replenishment and shall take such actions, as may be appropriate, for the implementation of the provisions of this Resolution.

III. Advance Commitment Authority

17. The Executive Board may, from time to time and having regard to the resources of the Fund available for commitment to loans and grants, including investment income and payments and repayments under loans provided by the Fund net of administrative costs, employ an Advance Commitment Authority (ACA) in a prudent and cautious manner to compensate, year by year, for fluctuations in the resources available for commitment and to act as a reserve resource. The procedures for the use of the ACA during the Replenishment Period are set out in Attachment B to this Resolution and form an integral part thereof. The ACA shall come into effect upon the adoption of this Resolution and shall terminate upon a date one year after the end of the Replenishment Period.⁴

IV. Voting Rights

18. **Distribution of Original Votes and Fourth Replenishment Votes**

- (a) **Original Votes.** The one thousand eight hundred (1 800) Original Votes shall continue to be distributed in accordance with Sections 3(a)(i) and (iii) of Article 6 of the Agreement and paragraphs II.16 and II.18 of Resolution 87/XVIII of the Governing Council on the Fourth Replenishment of IFAD's Resources. - (b) **Fourth Replenishment Votes.** The two hundred and sixty-five point fifty five (265.55) Fourth Replenishment Votes shall continue to be distributed in accordance with Sections 3(a)(ii) and (iii) of Article 6 of the Agreement and paragraphs II.17 and II.18 of Resolution 87/XVIII of the Governing Council on the Fourth Replenishment of IFAD's Resources. Column B-1 of Attachment C to this Resolution, as it may be amended from time to time, specifies the current distribution of the one hundred and twelve point four (112.4) Fourth Replenishment Membership Votes. Column B-2 of Attachment C to this Resolution, as it may be amended from time to time, specifies the current distribution of the one hundred and fifty three point fifteen (153.15) Fourth Replenishment Contribution Votes.
- (c) **Effectiveness.** The allocation and distribution of the Original and Fourth Replenishment Votes referred to in provisions (a) and (b) above shall continue irrespective of the entry into force of this Resolution.

19. **Allocation of New Votes for the Replenishment**

In accordance with Section 3(a)(ii) of Article 6 of the Agreement, _____ (____) A/ new votes are hereby created for the Replenishment ("Fifth Replenishment Votes"). Those votes shall be distributed as follows:

- (a) **Membership Votes.** _____ (____) A/ votes shall be allocated as membership votes, with each Member receiving an equal number of the said votes. Upon any change in the number of Members of the Fund, the _____ (____) A/ votes shall be redistributed upon the same basis. Column D-1 of Attachment C to this Resolution, as it may be amended from time to time, specifies the current distribution of Fifth Replenishment Membership Votes.
- (b) **Contribution Votes.** The remaining _____ (____) A/ votes shall be allocated as contribution votes to each Member in the proportion that each Member's paid contribution, valued in USD at the effective rate for the Replenishment, to the additional contributions made under the Replenishment, as specified in paragraph II.4(a) of this Resolution and as amended by paragraph II.4(b) of this Resolution, bears to the aggregate of the total contributions made by all Members to the Replenishment. For that purpose, a paid contribution shall be deemed to be only the part of a contribution of a Member actually paid to the Fund, in accordance with paragraph IV.20 of this Resolution. Column D-2 of Attachment C to this Resolution, as it may be amended from time to time, specifies the potential Fifth Replenishment Contribution Votes for each Member if all Members pay the pledges specified in Column B-2 of Attachment A to this Resolution. Column D-3 of Attachment C to this Resolution, as it may be amended from time to time, specifies the actual Fifth Replenishment Contribution Votes of each Member.

A/ The number of Fifth Replenishment Votes shall be inserted upon a date six months after the date upon which this Resolution is completed in accordance with the requirements of paragraph II.4(b) of this Resolution.

- (c) **Effectiveness.** The allocation of the _____ (_____) A/ votes, as specified in provisions (a) and (b) above, shall enter into effect immediately upon the entry into effect of this Resolution, in accordance with paragraph II.7 of this Resolution.
20. For the purpose of the allocation of the contribution votes in paragraphs 18(b) and 19(b) of this Resolution, a paid contribution shall mean a contribution paid, in a freely convertible currency, in cash or by deposit of promissory notes or similar obligations, with the exception of those promissory notes or other obligations against which an accounting provision is made.

V. Completion of this Resolution

The Executive Board, taking into account reports of the President of the Fund, is requested to take action at the earliest possible time to complete this Resolution in accordance with its provisions, including the allocation of the amounts of pledged contributions in Attachment A hereto. ATTACHMENT B

PROCEDURES FOR THE USE OF THE ADVANCE COMMITMENT AUTHORITY

1. The main purpose of the Advance Commitment Authority (ACA) is to fill shortfalls in the amount of committable resources available for loans and grants that may arise in a particular year due to delays in the receipt of contribution payments under the Replenishment and/or volatility in the rate of return of investment income and/or delays in the receipt of payments and repayments under loans provided by the Fund.
2. The Executive Board shall ensure that the amount available for commitment under the ACA and related disbursement requirements remain within the limits of financial prudence, using conservative assumptions and including a margin for expected loan repayment arrears. The Executive Board shall receive projections in relation to commitments to be made under the ACA (expected loan reflows and disbursements) that include safety margins to ensure that the cash-in-hand at any point in time is sufficient to cover the disbursement needs of the Fund.
3. The ACA may only be used if the resources available for commitment (i.e. net additional resources received or accrued during the previous year, in addition to unused resources brought forward) are insufficient to complete the approved lending programme in any given year.
4. The ACA may only be used to make commitments for loans and grants.
5. The President of the Fund shall ensure that accounting mechanisms are established to show the level of the ACA used on each occasion and the loan reflows that are set aside for disbursements arising from such commitments.
6. The President of the Fund shall ensure that accounting procedures are established so that once a commitment for a loan or a grant is made under the ACA, the disbursements associated with such commitment are removed from the loan reflows subsequently received in order to avoid double counting.
7. The Executive Board shall: (i) decide the maximum amount that may be made available through the ACA during the Replenishment Period; and (ii) approve the total resource commitment to be made through the ACA at each session of the Executive Board.
8. The President of the Fund shall report regularly to the Executive Board on the status of Resources Available for Commitment, including the management of the ACA. This report shall include details on resources available for commitment from assets held in freely convertible currencies (Members' contributions, investment holdings, etc.) less liabilities, commitments already made, exclusions from committable resources due to accounting provisions, the current and cumulative amount committed under the ACA, the amount of the ACA transferred to Regular Resources, and the amount that may be available under the ACA for future use, with detailed calculations and assumptions.

9. As the ACA is intended for use as a measure to fill shortfalls in committable resources, all commitments made under the ACA shall be transferred and charged to the Regular Resources of the Fund as and when sufficient Replenishment contributions become available and/or investment income is earned, net of administrative expenses, to cover the commitments made under the ACA.

10. The use of the ACA shall be reviewed by the External Auditor and his findings shall form part of the regular audit of the Financial Statements of the Fund. The External Auditor's report shall be discussed with the Audit Committee of the Executive Board in the same manner as for his report on the Financial Statements of the Fund.
