² Subject to parliamentary approval.

³ Belgium's pledge includes EUR 21 million to regular resources. Belgium also announced the intention to make a complementary contribution for the Belgian Survival Fund, at least as large as that made to the Seventh Replenishment (EUR 15.6 million), subject to parliamentary approval.

⁴ Cameroon has indicated that its pledge will be within the range of US\$800 000 to US\$1.0 million. The exact amount will be communicated at a later date.

⁵ The Danish contribution of DKK 75 million for the Eighth Replenishment is subject to approval by the Board of International Development Cooperation.

⁶ Germany's contribution depends on the following: (i) subject to entry into force of the 2009 federal budget law and parliamentary approval; (ii) pledge will not exceed 6.5 per cent of the total pledges made by Member States upon effectiveness of the Eighth Replenishment; (iii) the unit of obligation will be decided by the German Government at the time of deposit of its Instrument of Contribution at the latest.

⁷ Luxembourg's pledge is 0.2 per cent of the agreed target.

⁸ The Netherlands pledges a maximum of US\$75 million to the Eighth Replenishment based on a target of US\$1.2 billion. If the final target is revised downwards, the Netherlands reserves the right to lower its pledge accordingly, in order not to exceed its percentage share of 6.25 of the target.

⁹ The contribution of US\$50 million by the Kingdom of Saudi Arabia consists of US\$20 million as the Kingdom's regular contribution to the Eighth Replenishment and US\$30 million as a complementary contribution to the Replenishment which would be utilized to increase food production in low-income countries.

¹⁰ Sweden's pledge will not exceed SEK 360 million and should correspond to not more than 5.4 per cent burden share of the total pledges.

¹¹ The United Kingdom's pledge will be contingent on performance against commitments agreed on in the Report of the Consultation on the Eighth Replenishment of IFAD's Resources, in accordance with paragraph 5(c) of this resolution.

¹² Subject to approval through the budget process and congressional appropriation.

* This amount has been paid as an advance contribution, but no pledge has yet been received.

** The totals for the Eighth Replenishment reflect the pledges made to date. However, a number of countries have yet to announce their pledges. A number of countries also gave indications of their pledges pending formal confirmation of their precise contribution. This table will be updated periodically to reflect the additional pledges.
