Forty-first session of the Governing Council: Procedures for Statements by Governors

I. Introduction

1. New procedures have been introduced as of the forty-first session of the Governing Council whereby general statements by Member States will no longer feature on the agenda of the Council. Under the new procedures, the Governor, head of delegation or other representative of a Member State will have the opportunity to submit a video recording of the statement or have the statement published in full in the Governing Council Report and/or posted on the IFAD website.
2. This document provides information on the three options available to Member States to submit statements to IFAD: (i) a pre-recorded statement on video; (ii) a statement recorded at the on-site studio during the week of the Governing Council session; or (iii) submission of a statement in text form.
3. The Governor, head of delegation or other representative of a Member State wishing to submit a written or video-recorded statement at the Governing Council session is requested to notify the Secretary of IFAD, via the Country Statements Desk (countrystatements@ifad.org), of his/her intention to do so by Friday, 9 February 2018 at the latest. IFAD cannot guarantee that requests received after this date will be accommodated.
