Forty-second Session of the Governing Council: Procedures for Statements by Governors

I. Introduction

1. At the forty-first session of the Governing Council, new procedures were introduced with regard to general statements by Member States. Under the new procedures, general statements are no longer included in the agenda of the session, and the Governor, head of delegation or other representatives of a Member State may opt to submit a video recording of their statement or have it published in full in the Governing Council Report and/or posted on the IFAD website.
2. This document provides information on the three options available to Member States for submission of their statements: (i) a pre-recorded statement on video; (ii) a statement recorded at the on-site studio during the week of the Governing Council session; or (iii) submission of a statement in text form.
3. The Governor, head of delegation or other representative of a Member State wishing to submit a written or video-recorded statement is requested to notify the Secretary of IFAD of his/her intention to do so by sending an e-mail to the Country Statements Desk (countrystatements@ifad.org) no later than Friday, 8 February 2019. IFAD cannot guarantee that requests received after this date will be accommodated.
