- Supporting resilient rural livelihoods in the face of shocks and crises
- Enhancing climate resilient practices, protecting global biodiversity
- Creating economic opportunities and jobs

- **Ensuring inclusion**

### Assembling and leveraging development finance
- Expanding core contributions
- Leveraging to expand the PoW
- Allocating to those most in need
- Increasing private sector and climate finance

### Integrated country programmes
- Implementing an integrated PoW
- Enhancing adaptive management
- Increasing sustainability and scalability

### Organizational effectiveness and efficiency
- Strategic budgeting reforms
- Enhancing workplace culture
- Diversity, equity and inclusion
Enhanced focus on fragile contexts

IFAD adds value in fragile situations

- Sustainable and natural resource management
- In partnership with RBAs, IFIs, MDBs and other UN entities
- Boosting women's role
- Focused on food and nutrition security
- Working with local institutions and communities

New annex on updated approach to engagement in fragile situations
Investing in biodiversity and climate resilience

Raise climate finance target from 40% to at least 45%

Create ACCs as channel for 100% climate finance contributions

New policy on climate, environment and biodiversity, and roadmap for Paris alignment

Integrated programmatic approach to climate operations

Updated ACC annex will be included in the next version of the report
Increasing engagement with the private sector

**Private sector investments** are an integral part of **closing the SDG financing gap** and present a **lifeline for small-scale farmers** at the country level.

**I. Enabling**  
De-risking investments

**II. Catalyzing**  
PoLG and PSFP instruments

**III. Assembling**  
PSFP instruments and convening power

In IFAD13 a **strengthened PSFP funding model** and deeper integration in **country programmes** will help deliver greater impact across IFAD’s **mainstreaming priorities**.
Ensuring inclusivity to leave no one behind

**Targeting for nutrition** and promoting diversified local food production, and consumption

**Intensifying efforts on gender** to ensure equal access to assets, services, employment and markets

**Strengthen youth employment and youth participation** in decision making

**People-centred approach** focused on Indigenous Peoples, persons with disabilities and other marginalized groups

**Working with community-based organizations** to promote inclusive development
Continued focus on organizational effectiveness and efficiency

IFAD13 consolidates and builds on recent reforms and initiatives (e.g. efficiency action plan)

Focus on operational delivery and project efficiency

Optimizing resource use and prioritization and streamlining budgeting

Enhancing capacity and workplace culture
