## Draft Resolution on the Eighth Replenishment of IFAD's Resources

The Consultation is hereby requested to consider the following text for paragraph 5 of the Resolution on the Eighth Replenishment of IFAD's Resources.

### 5. Special and Complementary Contributions

- (a) **Special Contributions.** During the Replenishment Period, the President may accept special contributions from non-Member States or other sources to the Fund.
- (b) **Complementary Contributions.** During the Replenishment Period, the Fund may accept complementary contributions from Member States. Complementary contributions shall not form part of the pledged contributions included in columns B-1 and B-2 of Attachment A to this Resolution and, accordingly, shall not entitle the said contributing Member State to receive Contribution Votes under paragraph IV.20(b) of this Resolution. After the adoption of this Resolution, the Executive Board may, from time to time, decide upon the use to be made of the complementary contributions so received.
- (c) **Contingent Contributions.** During the Replenishment Period, the Fund may accept additional contributions under paragraph II.4(a), II.4(b) and II.4(c) of this Resolution from Member States, part of which contributions may be contingent upon the completion of specific actions with regard to the introduction of Human Resources Reform, policies on fragile states, climate change and gender, as well as enhanced cooperation and partnership, as agreed on in the Replenishment Consultation Report. Contingent contributions shall form part of the pledged contributions included in columns B-1 and B-2 of Attachment A to this Resolution and shall entitle the said contributing Member State to receive Contribution Votes under paragraph IV.19(b) of this Resolution. Such contingent contributions shall not be deemed as receivables for the purpose of accounting provisions until such time as the contingent action shall have occurred.
