

29 August 2024

Distinguished Governors,

On 14 February 2024, at its forty-seventh session, the Governing Council adopted resolution 235/XLVII on the Thirteenth Replenishment of IFAD's Resources (IFAD13) (hereinafter referred to as "the resolution"). In so doing, the Governing Council set the target level for additional contributions, including core contributions, core additional climate contributions (ACCs), the grant element of any concessional partner loan (CPL) and the discount or credit generated from early encashment of core contributions during the Thirteenth Replenishment at one billion eight hundred and seventy-five million United States dollars (US\$1,875,000,000) in order to support a target programme of loans and grants of up to three billion six hundred and forty million United States dollars (US\$3,640,000,000).

I am pleased to inform you that total pledges received as at the last day of the six-month period following the adoption of the resolution by the Governing Council (i.e. 14 August 2024) amounted to US\$1,402,857,152. Pledges towards regular resources represent 75 per cent of the target level.

In accordance with the resolution, Replenishment votes have been created in respect of core contributions, core ACCs, the grant element of any CPL and the discount or credit generated from early encashment of core contributions provided under IFAD13 in respect of pledges in each case received as of six months after the date of adoption of the resolution. Accordingly, a total of 863.769 IFAD13 votes have been created as at 14 August 2024. Of these, 371.379 are membership votes and 492.390 are contribution votes.

As at 14 August 2024, instruments of contribution and payments not supported by such instruments, relating to additional contributions from Member States, had been deposited or made in an aggregate amount of US\$713,716,987, equivalent to 50.9 per cent of the total pledges received. In accordance with section IV, paragraph 16, of the resolution, the Thirteenth Replenishment of IFAD's Resources therefore became effective on 14 August 2024.

An updated version of the addendum to the IFAD13 Report (GC 47/L.5/Add.1), showing the list of pledges to IFAD's Thirteenth Replenishment received from Member States as at 14 August 2024, and a table showing the distribution of the Thirteenth Replenishment membership and contribution votes are provided herewith as attachments I and II.

Allow me to take this opportunity to thank IFAD's Member States for their commitment to the Fund. I am greatly encouraged by the strong sense of ownership that our Member States have shown towards IFAD and I look forward to your continued support so that we can reach the IFAD13 target.

All Governors of the International Fund for
Agricultural Development (IFAD)

As per resolution 235/XLVII, Member States that have not yet pledged, or that wish to increase their pledges, may do so at any time. Your contributions will be decisive in ensuring that IFAD can provide much-needed support to transform rural areas and invest in a better future for poor rural people.

Accept, Distinguished Governors, the assurances of my highest consideration.

Alvaro Lario
